Sanmati

Higher Secondary School

MERI BHAVNA

He who conquered love and hatred, and vanquished sensual temptation, true cosmic knowledge who attained and showed the path to salvation; Some may call him Buddha, Hari, Jina, or may call him Brahma, Supreme; his thoughts and deep devotion may be in my heart and mind and dream.

Who do not long for sensual zest, whose feelings are gentle and right; In well being of world and self, who do endeavor day and night. Who do penance of selflessness and who have no regrets in life; to lessen sufferings of this world, such learned sages do strife. May I always look up to them.

And may I keep them in my mind; practice their conduct in my life, I wish my mind be so inclined. May I never injure a life; of lying, may I never think; not wanting others' wealth and spouse, contentment-nectar may I drink. May egotism I never feel; angry, may never I become; on seeing others' worldly wealth, to envy may I not succumb. May I always feel and ponder to act in true and sincere way; I always may do good to all, as far as I can, everyday. For living beings of the world, feelings of friendship may I show; for woeful creatures, from my heart, may stream of kindness ever flow.

The cruel, wicked and evil doers, my mood and mind may not resent; may thoughts of mine be so mended, of others I may be tolerant. My heart may be so full of love, whenever I see a noble man; my mind may be so full of joy, I serve him as much as I can. May I never be ungrateful; malice never be in my mind; may I not see faults of people; high virtues may I always find. Let someone call me good or bad, let riches come or turn away, whether I live for million years, or I face death this very day. Whether someone does frighten me, or even tempt me in some way; may my steps never falter from proven good and righteous way.

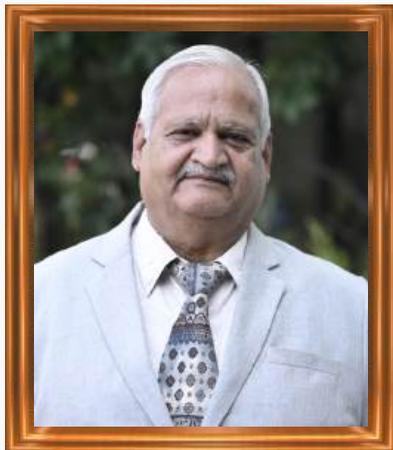

Neither may I be too joyous, nor may I be nervous in pain; I may not dread stormy river, a jungle, ghost or rough endurance. Firm, unshaken and well balanced, my mind may ever grow and grow; In beloved's passing, evil's face, and endurance may I ever show. May worldly creatures be blissful, uneasiness may no one feel; forgetting ill will, pride and guilt, new songs of joy may sing with zeal. May truth be talk of every home, there be no sign of evil act; enlightened people may improve, fruits of this life may get, in fact. Misfortune, dread may never come; bountiful rains come well in time; may rulers always be righteous, may justice be even, sublime.

Disease and famine may not be; may people have plenty and peace; non-violence be the rule of world, may world be full of joy and ease. May mutual love pervade the world and dark delusions fade away; untrue, unkind, intriguing, harsh, such words, no one may ever say. May all become Yugvir at heart; welfare and peace may all attain; facing all sorrows with patience, nature of truth may all men gain.

President's Message

It gives me immense pleasure to pen down my thoughts for our school magazine, PRAYAS, which truly serves as a mirror reflecting the vibrant spirit, creativity, and remarkable achievements of our school community.

In today's rapidly evolving world, innovation is the key to progress and growth. With this vision in mind, our school has introduced several forward-thinking initiatives such as the E-Library, E-Logbook, Zero Period, and a variety of student clubs aimed at promoting holistic development. These initiatives foster independent learning, nurture creativity, instill discipline, and cultivate leadership qualities among our students.

Through modern teaching methodologies, experiential learning opportunities, and value-based education, we strive to equip our students with the knowledge, skills, and confidence required to face future challenges successfully. PRAYAS stands as a testament to our commitment to blending innovation with strong moral values.

I sincerely appreciate the dedicated efforts of our students and teachers whose hard work and enthusiasm make this publication possible. I wish everyone continued success and many more achievements in the years to come.

Dilip Doshi

President

Secretary's Message

I am pleased to share that Sanmati School continues to uphold a tradition of excellence in both academics and life skills education. From the moment a child steps into our campus, we are committed to nurturing confidence, discipline, and a sense of responsibility, enabling them to face the challenges of an ever-changing and competitive world.

As Secretary of the School Management Committee, I sincerely appreciate the efforts of the editorial team, faculty members, and students who have worked diligently to bring out this magazine. It beautifully reflects the achievements, creativity, and vibrant spirit of our school community.

At Sanmati, we believe that true education goes beyond textbooks. Through quality teaching, value-based learning, sports, and cultural activities, we ensure the holistic development of every child. Our dedicated faculty and supportive environment empower students to grow into capable, compassionate, and responsible citizens of tomorrow.

I truly appreciate the innovations that were introduced this year, as they have been very impressive and beneficial for the overall development of the school. These new ideas and initiatives have brought positive changes and added great value to our learning environment. I sincerely commend the efforts of everyone involved in implementing them, and I hope that these innovations will continue in the next academic session as well, helping our institution grow and progress even further.

Sunil Shah

Secretary

Principal's Desk

Dear Parents,

Lovely Students and Esteemed Members of the SANMATI Family, it gives me immense pride and gratitude to present before you the collective achievements and progressive initiatives undertaken at SANMATI School during this remarkable academic session. Our journey has been guided by a clear vision—to create a child-centered, value-driven, and future-ready institution where excellence is not an event but a culture. This year, we successfully implemented several transformative academic and co-curricular reforms.

Key Initiatives and Achievements

Comprehensive Assessment System, Exhaustive Test Series, Special Classes with remedial support, Daily E-Log Book System, Extended Online Guidance, Structured School Audit Program, Student Enrichment Zero Hour for Sports, Life Skill Classes, Drama Classes, Tailored Assemblies, Empowerment and Collaboration among teachers through continuous sessions, and reviewing traits of parenting.

This present academic session has been marked by several inspiring achievements and milestones for SANMATI School. Our students brought laurels in academic and co-curricular activities under the banner of Sahodaya. Academically the school recorded an outstanding performance in the CBSE Board Examination, proudly producing city toppers in both the Humanities and Commerce streams. These achievements reaffirm our commitment to academic excellence and holistic development. Another proud milestone in the history of the institution was hosting the CBSE Regional Science Exhibition for the first time. I would also like to appreciate the collective efforts of our entire team in successfully securing over 600 new admissions, reflecting the growing trust of the community in the values and quality of education imparted at SANMATI. This year we are going to start school alumni meet to offer reconnecting platform of our past and present to frame a better future. None of these accomplishments would have been possible without the unwavering support of our respected Management, the relentless dedication of our teachers, the commitment of our staff members, and the continued faith of our parent community.

I extend my heartfelt gratitude to the entire Team SANMATI for their tireless efforts, unity of purpose, and steadfast belief in our shared vision. I sum up my educational philosophy with the shloka below :-

“न केवलं ज्ञानसमृद्धिः शिक्षा, चरित्रविकासोऽपि तस्य सारः।

यत्र मूल्यैः जीवनमार्गः शोभते, सा विद्या दीपः भविष्यस्य धारः॥”

Wishing you all a wonderful experience.

With Love & Gratitude

Chandra Kant Sharma

Principal

Editorial Perspective

Dear Readers,

"Reflection is the mirror of strength."

As another academic year draws to a close, we are delighted to present the annual edition of our school magazine. This publication is more than just a collection of pages—it is a reflection of the vibrant experiences, achievements, and memories that have shaped our school community throughout the year. The past months have been filled with learning, growth, and inspiring moments. Our students, teachers, and staff have shown remarkable dedication, resilience, and enthusiasm in every sphere—academic, cultural, and co-curricular. Together, we have created an environment where curiosity is encouraged, talents are nurtured, and every individual is inspired to reach their fullest potential. Within these pages, you will discover a rich blend of creativity and expression. From thoughtful articles and engaging stories to beautiful artwork, poetry, and photographs, each contribution reflects the unique voice and imagination of our students. These pieces not only showcase their talents but also capture the spirit, values, and aspirations of our school community. We extend our heartfelt gratitude to all the students, teachers, and staff members who have contributed their time, creativity, and dedication to make this magazine possible. Their efforts have brought this publication to life and turned it into a meaningful record of the year. As you turn these pages, we hope you relive memorable moments, celebrate achievements, and feel inspired by the energy and creativity that define our school. May this magazine remain a treasured keepsake and a reminder of the wonderful journey we continue to share.

**Warm regards,
Editorial Team**

PARENTS' FEEDBACK

Sanmati Higher Secondary School is known for its strong academic foundation, disciplined environment and focus on overall personality development.

Academic Excellence:

School believes in providing quality education to every student. The school follows a well-structured curriculum that helps students understand concepts clearly and perform well in examinations. Smart classes, regular assessments and interactive teaching methods make learning interesting and effective.

Positive and Safe Environment:

The school provides a clean and green, peaceful environment. Classrooms are well-ventilated and equipped with necessary facilities. Students feel safe, motivated and encouraged to express their ideas freely.

Extra-Curricular Activities:

School gives equal importance to extra – curricular activities. These activities help in building confidence, teamwork and leadership qualities among students.

School Mess:

The school mess provides hygienic and nutritious food to students. Cleanliness and quality are maintained properly.

At last teachers are supportive and caring. They not only guide students in studies but also in life skills and moral values.

Ankur Sakshi Patni
Parents of Vedika Patni
Nursery

Thanks to the Management and Gratitude to the Teachers

We are proud to be a part of the parents' team of Sanmati Higher Secondary School. The school management deserves immense credit for creating a nurturing environment with modern facilities and innovative programs. Here, teachers are the heartbeat of the school. They go beyond textbooks, offering guidance even during tough times. Their encouragement inspires our child to dream big and achieve more. The smooth organization of events helps our child develop personality and also builds individuality.

“Sanmati is the backbone of our child’s success.” Thank you.

Garvita Ashish Maheshwari
Parents of Advita Maheshwari
UKG

Academics Performance

I am very satisfied with this year’s academic session. I have seen noticeable improvement in Namra’s academics as well as her overall confidence.

She has actively participated in music competitions this year, which has really helped her develop confidence and stage presence, and we are very proud of her enthusiasm and dedication. Her participation in Helen O’Grady classes has greatly improved her communication skills, expression, and personality development.

She truly enjoyed the drama classes, and we, as parents, also thoroughly enjoyed watching the drama performance during the PTM. The teachers are really good, especially her class teacher, who has treated my child as her own.

I am truly glad to see such a warm and positive bond between a student and a teacher. Thank you to all the teachers for your continuous support, guidance, and encouragement throughout the year.

Regards

Parents of Namra Khan

PARENTS' FEEDBACK

We appreciate the robust technology integration, accessible and well-maintained, comfortable spaces that enhance students' focus. The spacious, bright, and well-ventilated classrooms have comfortable and modern furniture with good lighting. Smart boards and well-organized storage for student materials are provided. The building is clean and well maintained.

There are expansive and safe playgrounds with specialized spaces. CCTV surveillance and a gated, secure entrance ensure safety. The mess is clean and hygienic, serving tasty and healthy food.

The washrooms are well-planned, safe, hygienic, and clean. There is easy access for all students and staff to different parts of the campus. The school has pleasing architecture with green surroundings. The school bus service is effective, safe, punctual, and the drivers and bus attendants behave well. The management and teachers are highly supportive. We feel confident about our child's safety and development.

We are truly grateful to the school for nurturing Naysha with so much care, dedication and strong values. Sanmati has created a safe and inspiring environment where children not only learn lessons from books but also lessons for life. Along with a very strong academics the school's emphasis on co-curricular activities and thoughtfully organized educational trips has helped in building her confidence and character. The well maintained infrastructure, spacious classroom and excellent facilities provide a comfortable environment. We appreciate the teachers who patiently guide and believe in every child's potential.

Thank you! SANMATI, for shaping NAYSHA's future.

Dear Sir / Madam,

I would like to sincerely thank you for your hard work and dedication in teaching class – 2. Your patience, kindness and creative teaching methods make learning enjoyable for the children. My child feels happy and the comfortable in your class, which shows how supportive and caring you are.

Thank you for your continuous support and guidance.

Warm Regards,

Mother of Eraksh Chouhan

सन्मती स्कूल में बहुत ही अच्छा अनुभव रहा है। अन्य विद्यालयों की तरह यहाँ भी शिक्षा पर जोर दिया जाता है परंतु पढ़ाई के अलावा बच्चे के पूर्ण रूप से मानसिक एवं शारीरिक विकास का भी ध्यान रखा जाता है जैसे कि ड्रामा क्लासेस, खेलकूद प्रतियोगिताएं, संगीत एवं वाद्ययंत्र इत्यादि। इसके अलावा विद्यालय द्वारा कई अनुठी व्यवस्थाओं को कार्य में लाया गया है।

उदाहरण :- **Daily Logbook, Bus Tracking System, Daily Food & Mess-**

जिससे अभिभावक बच्चों के नित्य क्रियाकलापों के प्रति जागरूक बने रहते हैं। सर्वप्रथम विद्यालय के सभी कर्मचारी जैसे कि मैस स्टॉफ, सफाई एवं बस में कार्यरत कर्मचारियों का स्वभाव बहुत ही सौहार्दपूर्ण एवं जिम्मेदारी भरा है और सबसे महत्वपूर्ण कि विद्यालय के शिक्षक एवं प्रधानाचार्य जी बच्चों के उज्ज्वल भविष्य के लिए समर्पित है। प्रधानाचार्य जी समय-समय पर अभिभावकों के साथ जुड़े रहते हैं जिससे अभिभावकों को भी उनकी गलतियों को सुधारने का ज्ञान मिलता है। हमें विश्वास है कि समय के साथ इसी दिशा में प्रगति को और आगे बढ़ाने की आशा है।

PARENTS' FEEDBACK

Thank you for creating a positive and supportive classroom environment where Bhavya Sharma feels comfortable asking questions.

All the teachers are doing a great job. We can see that in our kids. Keep up the good work.

I am really happy and fully satisfied. Thank you for being such an important part of our child's development. The teachers at the school are excellent. My daughter receives excellent guidance beyond what we expected at the outset. I truly appreciate your patience and care in looking after my child at school.

Alpna ma'am is very helpful. She helps me motivate my daughter.

**Mother of Bhavya
2nd B**

Thank you for creating a positive and supportive classroom environment where my child feels comfortable asking questions.

All teachers are doing a great job. We can see this in our children. Keep up the good work.

I am really happy and fully satisfied. Thank you for being such an important part of our child's development. The teachers at the school are excellent. My son receives guidance beyond what was expected at the outset.

Thank you. I truly appreciate your patience and care for my child at school.

**Parent of Jay Wankhede
Class 5th B**

We are very happy with the school and it's positive learning environment. The teachers are caring, supportive and truly dedicated to every child's growth. The school balances academics with values and creativity beautifully. Our child feels confident and excited to come to school each day. We sincerely appreciate the efforts of the Principal and all teachers.

"Education is the foundation on which dreams are built."

Thank you for sharpening a bright future for every children.

**Meenal Jain, Class 2 A
Mother of Mihit Jain**

I am the proud parent of Mahi Patil, Class 5 C, and I would like to express my heartfelt appreciation for Sanmati H. S. School. The school provides an excellent balance between academics and co-curricular activities. The teachers are highly dedicated, caring and supportive. They give individual attention to every child and create a positive and motivating learning environment. I have seen remarkable improvement in my daughter's confidence, discipline and overall personality. The school organizes various activities such as drama, dance, music and sports which help in the all round development of students. I would also like to appreciate the daily log book that is sent regularly. It is very helpful for parents as it keeps us well-informed about our child's daily study, homework and progress. This communication system helps us stay connected with our child's learning journey. The campus is safe, well maintained and child friendly. The management ensures proper discipline while also supporting students emotional and social growth. As a parent, I feel a strong sense of trust and attachment towards the school.

**Gaurav Patil, 5thC
Parent of Mahi Patil**

PARENTS' FEEDBACK

Sanmati School is more than just a place for academics- it's a supportive space where student grow with confidence. The teachers are caring and dedicated, guiding students both in studies and building values. The school maintains a positive and disciplined environment. Kids are motivated to take part in sports & other activities, making learning enjoyable and balanced. Overall as a parent, I am satisfied with the school's nurturing atmosphere.

Father of Inaya Fatima 3th B

MY DREAM SCHOOL

* Upon a hill where gentle breezes blow stands the dream school with a radiant glow.

No cold grey walls, no iron bars of fear; just open doors and laughter drawing near.

Its roof is made of glass to see the sky, where thoughts can wander and ideas can fly.

* The classrooms are not rows of silent desks, but cozy spots with cushions, soft and restful.

There are no bells to break the joyful thoughts.

No rigid lessons, orderly taught.

Instead, a garden stretches wide and green,

The most enchanting place I've ever seen.

* The books are full of wonders, tales and song,

Helping the mind to grow both fast and strong.

The teacher smiles, like friends upon the way.

Mother of DARSH JAIN

Our experience with the school

As a parent, I am thrilled to share my wonderful experience with Sanmati Hr.Sec. School.

Our experience with the school has been very positive. The variety of activities provided helps our child grow in confidence and express creativity. Dance, drama, music and sports make learning enjoyable and keep our child energetic.

The school not only focuses on studies but also encourages all-round growth through many engaging programs. We especially like the celebrations such as Navratri and Children's Day, as they help children understand traditions and good values.

The zoo trip was a fun and meaningful learning experience for our child. Thank you teachers and school for giving such wonderful experiences.

Alka Moolchandani, Class I A
Mother of Janisha

Our experience with the school

Our experience with the school has been truly wonderful and we are extremely happy with the overall development of our child. The school provides perfect balance between academics and extracurricular activities.

Music Class – It is fantastic and helps child build confidence and nurture love for music. The teachers are encouraging and highly supportive.

Sports program – It deserves special appreciation which keeps children active, disciplined and teach them teamwork.

Study Environment – Study environment is structured and motivating. Teachers explain concepts clearly and ensure that every child understands the lessons well. Teachers are caring and always ready to guide students.

The mess facility – The mess facility maintains good hygiene and provides nutritious meal ensuring health of students.

The zoo visit – Zoo visit was both exciting and educational giving students practical exposure and fun filled memorable experience.

PARENTS' FEEDBACK

सन्मति हायर सेकेंडरी स्कूल, इंदौर (म.प्र.) बच्चों की शिक्षा एवं उज्ज्वल भविष्य के लिए समर्पित संस्था है। विद्यालय में बच्चों को केवल किताबों का ज्ञान ही नहीं बल्कि बच्चों को रचनात्मक विचार, बौद्धिक विकास, व्यावहारिक कौशल, शारीरिक-चरित्र विकास, व्यक्तित्व एवं नैतिक-मूल्य शिक्षा प्रदान की जाती है, जो बच्चों के जीवन विकास के लिए आवश्यक है। बच्चे भविष्य के राष्ट्र निर्माता हैं। शिक्षा का उद्देश्य विद्यार्थियों को अच्छा चरित्रवान, संस्कारी, नैतिकता, कर्तव्यपरायण, ईमानदारी इत्यादि गुणों से पूर्ण व्यक्तित्व विकास करना है, जिससे विद्यार्थी का उज्ज्वल भविष्य बने और समाज व राष्ट्र निर्माण में योगदान दे सके। सन्मती विद्यालय के प्रयासों द्वारा इस दिशा की ओर अग्रसर है।

सन्मति विद्यालय में अभिभावक-शिक्षक मीटिंग एवं विशेष अवसरों पर संस्था प्रमुख प्राचार्य श्री चंद्रकान्त शर्मा सर द्वारा समूह चर्चा-व्याख्यान किया जाता है, जिसमें बच्चों व माता-पिता के व्यवहार, बच्चों की नियमित गतिविधि आदि, बच्चों के व्यवहार को समझने एवं भविष्य को उज्ज्वल बनाने इत्यादि मुद्दों पर विचार-विमर्श-चर्चा की जाती है, जो बहुत ही सराहनीय व प्रेरणादायक प्रयास है। मेरी आशा है कि आपकी संस्था सदैव ही विद्यार्थियों के उज्ज्वल भविष्य के लिए प्रयासरत् व अग्रसर रहे। आप सभी को अग्रिम शुभकामनाएं।

अभिभावक
श्री (प्रो.) अनंत सिंह ठाकुर

Helen O'Grady (Drama Classes)

I am the parent of Keerat Kour Chhabra from Class 8th 'D'. I would like to express my feedback regarding her participation in the Helen O'Grady (Drama Classes) conducted in the school.

These classes have brought a very positive change in her personality. I have noticed improvement in her confidence, speaking skills, and creativity. She feels more confident while speaking in front of others and enjoys participating in activities.

I truly appreciate the efforts of the teachers and the school for organising such meaningful activities for students' overall development.

Thank you.

Parents of Keerat Kour Chhabra
8th D

General

We are the proud parents of Pratyush Kaser, 8th D. We are stating that the academic session 2025-26 is very excellent and much better and more diligent than the previous academic session because of the backing support of the newly appointed Principal Sir. His guidance and motivation are inspiring to the students as well as the parents. Also, other beautiful facilities like the mess, sports, library, teachers and staff are also very good.

Parents of Pratyush Kaser, 8th D

Sports program

As a parent, I am delighted to share my thoughts on the sports programme at my child's school. The enthusiasm and energy of the students are truly inspiring. The sports programme has played a significant role in students' development, teaching them valuable skills like teamwork, discipline and sportsmanship. Overall, I am satisfied with the sports activities at my child's school.

Parents of Riyansh Jain

PARENTS' FEEDBACK

Food

Feedback: The food quality is very good, and its taste is excellent. They take proper care of hygiene and provide us with salad almost every day. His favorite dish in school is Rajma Chawal.

Father of Kaustubh Pandey, 8th D

General

We are parents of S.G. Hareesh, Class 6th, B. We are very happy to share this information regarding our child's academics, especially this year. He has put all his efforts into his studies to achieve excellence in his academics from day one till today. My child is getting all the learning opportunities to grow in his life.

Not only in academics, but he is also investing his time in sports, which he likes. The school provides healthy food to its students. This year, our school introduced drama classes, which take the students to the next level in their communication skills.

The very special thing about Sanmati Higher Secondary School is that it will always provide the opportunity to every child in the school." The Dialogue book helps the children gain new knowledge, and finally, the log book connects the day-to-day subjects taught by the particular subject teachers, and this data is available daily to all the parents.

By these features, the students, teachers, and parents all benefit. We once again thank you for providing this opportunity to share our experience as parents of Sanmati Higher Secondary School. We thank the dedicated Principal, caring teachers, and all who support our school.

**Parents of S.G. Hareesh

Sports

"The sports facilities at Sanmati Higher Secondary School are top-notch! The school encourages participation and provides excellent coaching, helping students excel in various sports. The sports events and tournaments are always exciting and well-organized."

Mother of Bhavesh Chelani, 8th A

General

Sanmati is one of the most prominent schools of Indore known for its teaching and learning programs. My two kids are studying in this school in class 5th and 8th grades. Teachers are well groomed and experienced. Academics and management are very good. Principal Mr. Sharma sir has developed many techniques to improve and interact with students and parents which help students to develop their skills and knowledge abilities.

Parents of Aradhya Amay Soni, 8th A

General

Sanmati Higher Secondary School has an excellent education policy that leads to visible positive growth in students every day. This is only possible because of a healthy and positive atmosphere, largely supported by dedicated teaching staff.

The teachers closely monitor and encourage students in academics, sports, and extracurricular activities. Additionally, the food quality is excellent. Both the physical and mental health of our child is 100% taken care of here.

Thanks for everything.

Parents of Aarna Joshi, 6th B

Dear School Team,

As a proud parent of Tegan Kaur Sabharwal (Grade 11), I thank Sanmati School for the continuous guidance and support. Tegan's Grade 10 performance was a proud milestone, and we value the academic foundation and discipline the school instilled.

I'm happy with her progress this year and appreciate the teachers' dedication. The parent-teacher interactions were extremely helpful. I request they continue, as they play an important role in a student's development.

I feel co-curricular activities could be enhanced to help students explore interests. Also, structured career guidance sessions for senior students would support their future plans. I look forward to seeing continued growth and support.

**With gratitude,
Gurleen Kaur Sabharwal**

PARENTS' FEEDBACK

Dear School Team,

I sincerely thank Sanmati Higher Secondary School for the guidance and support provided to my daughter, Aaradhya Dubey (Grade 11), during the academic session 2025–26.

Aaradhya is a sincere and capable student, and I am confident in her ability to perform well in academics as well as co-curricular activities. The school's learning environment and teachers' encouragement have contributed positively to her confidence, achievements, and participation in various school events.

The parent-teacher interactions have been helpful in understanding her academic progress, involvement in activities such as sports and drama, and overall development. I appreciate the efforts taken in academics and co-curricular exposure. Feedback regarding sports facilities, food arrangements, and drama classes has also been valuable.

I would also suggest further strengthening co-curricular opportunities and structured career guidance for senior students to help them plan their future effectively.

Thank you for your continued support and dedication.

Warm regards,

**Parents of Aaradhya Dubey

My First PTA Meeting: A Promising Start for Our School-

As a new PTA member, I attended our first meeting with great enthusiasm. We discussed vital issues like improving playground safety, enhancing library resources, and organizing fun family events. Parents shared insightful ideas, teachers provided updates on curriculum changes, and the principal outlined new plans. The collaborative spirit was inspiring—everyone's voice mattered!

Key decisions included forming committees for

fundraising and volunteer coordination. I'm excited to contribute and urge more parents to join. Together, we can make our school even better for our kids.

**Kiran Porwal
(PTA Member)**

किसी भी बच्चे के उज्ज्वल भविष्य की नींव उसके विद्यालय में ही रखी जाती है। विद्यालय वह स्थान है जहाँ बच्चे केवल पाठ्यपुस्तकों का ज्ञान ही नहीं प्राप्त करते, बल्कि जीवन के महत्वपूर्ण मूल्य, अनुशासन, आत्मविश्वास और सामाजिक जिम्मेदारियों को भी समझना सीखते हैं। सन्मति विद्यालय इसी उद्देश्य को सार्थक करते हुए विद्यार्थियों के सर्वांगीण विकास के लिए निरंतर प्रयासरत है।

सन्मति विद्यालय का शैक्षणिक वातावरण अत्यंत प्रेरणादायक है। यहाँ के शिक्षकगण न केवल अपने विषय में दक्ष हैं, बल्कि विद्यार्थियों के मार्गदर्शक, प्रेरक और संरक्षक के रूप में भी अपनी महत्वपूर्ण भूमिका निभाते हैं। उनका समर्पण, धैर्य और सकारात्मक दृष्टिकोण बच्चों में सीखने की जिज्ञासा को बढ़ाता है तथा उन्हें अपने लक्ष्य की ओर आगे बढ़ने के लिए प्रेरित करता है।

आज के प्रतिस्पर्धात्मक युग में शिक्षा का महत्व पहले से कहीं अधिक बढ़ गया है। ऐसे समय में यह अत्यंत आवश्यक है कि बच्चों को केवल अकादमिक ज्ञान ही नहीं, बल्कि रचनात्मकता, नेतृत्व क्षमता, नैतिक मूल्यों और सामाजिक समझ का भी विकास कराया जाए। सन्मति विद्यालय अपने विभिन्न शैक्षणिक, सांस्कृतिक, खेलकूद एवं सह-पाठ्यक्रम गतिविधियों के माध्यम से विद्यार्थियों को अपने कौशल को पहचानने और निखारने का अवसर प्रदान करता है।

विद्यालय की यह वार्षिक पत्रिका विद्यार्थियों की प्रतिभा, कल्पनाशीलता और परिश्रम का सुंदर दर्पण है। इसमें प्रकाशित लेख, कविताएँ, चित्र एवं विभिन्न गतिविधियों की झलक यह दर्शाती है कि हमारे बच्चे कितनी लगन, उत्साह और आत्मविश्वास के साथ अपने विचारों को अभिव्यक्त कर रहे हैं। यह पत्रिका विद्यार्थियों के रचनात्मक प्रयासों को प्रोत्साहित करने के साथ-साथ विद्यालय की उपलब्धियों को भी दर्शाती है।

हम सभी अभिभावकों की ओर से विद्यालय के प्राचार्य, सभी शिक्षकगण एवं समस्त विद्यालय परिवार को इस उत्कृष्ट प्रयास के लिए हार्दिक बधाई एवं शुभकामनाएँ। हमें पूर्ण विश्वास है कि सन्मति विद्यालय अपने आदर्शों, संस्कारों और उत्कृष्ट शिक्षा के माध्यम से आने वाले समय में भी विद्यार्थियों को सफलता, संवेदनशीलता और नैतिकता के मार्ग पर अग्रसर करता रहेगा।

सन्मति विद्यालय के उज्ज्वल भविष्य तथा सभी विद्यार्थियों की निरंतर प्रगति के लिए हमारी हार्दिक शुभकामनाएँ

SANMATI SCHOOL

A Message from the Principal's Desk | March 2026

तत्कर्म यन्न बन्धाय सा विद्या या विमुक्तये ।
आयासायापरं कर्म विद्यान्या शिल्पनैपुणम् ॥

Dear Parents and Guardians,

Warm greetings from Sanmati School! It is with immense pride and heartfelt gratitude that I write to you today — to celebrate the journey we have undertaken together and to share our vision for the road ahead.

Our school is not merely a place of academic learning; it is a nurturing home where every child grows with knowledge, values, and a joyful spirit.

Our Innovations — Building a Richer School Experience

- Day Log Book
- Zero Hour for Sports
- Remedial Classes
- Comprehensive Assessment System
- Structured School Audit Programme
- Life Skills Classes
- Dialogue Book
- Drama Classes
- Tailored Assemblies
- Parenting Sessions
- Extended Online Support & Exhaustive Test Series

What We Are Seeing — A Transformed Learning Environment

The results of these efforts are visible and deeply encouraging. We are witnessing a noticeably better academic and life skills learning environment across all grades. Most heartening of all is the enriched level of communication among our children — they are more expressive, more collaborative, and more curious. The culture of learning has deepened, and it shows in classrooms, corridors, and the confidence our students carry every day.

Looking Ahead — New Horizons for This Year

- ★ Entrepreneur Cell
- ★ Student Profiles
- ★ Consistent Feedback Sharing

These additions reflect our belief that education must be dynamic, responsive, and always centred on the whole child.

With Deep Gratitude
A Word of Hope and Blessings

“ॐ असतो मा सद्गमय। तमसो मा ज्योतिर्गमय। मृत्योर्मा अमृतं गमय”

With warm regards and blessings,
Sanmati Principal
Sanmati School

Regional Science Exhibition

“Science is not just a subject; it is a way of thinking, exploring, and understanding the world around us.”

Sanmati Higher Secondary School, Indore, proudly hosted the Regional Science Exhibition in November 2025, marking a significant milestone in fostering scientific temperament and innovation among young learners. The event witnessed enthusiastic participation from around 120 schools, bringing together a vibrant community of budding scientists, educators, and innovators under one roof.

The exhibition was graced by the esteemed presence of Shri Vikas Kumar Agrawal, Regional Officer, CBSE Bhopal, whose inspiring words motivated students to pursue curiosity, critical thinking, and creativity in the field of science. His presence added great value and encouragement to the event, making it even more prestigious and impactful.

The campus transformed into a hub of scientific exploration, where students presented a wide array of innovative models, experiments, and research-based projects. The exhibits covered diverse themes such as environmental sustainability, renewable energy, smart technology, health sciences, and futuristic innovations.

Each project reflected not only the students' knowledge but also their ability to apply concepts in real-life situations.

The exhibition provided a unique platform for students to showcase their creativity, problem-solving skills, and scientific approach. Participants confidently explained their models, demonstrating clarity of concepts and depth of understanding. The interactive sessions between students, judges, and visitors created an engaging learning environment, encouraging exchange of ideas and constructive feedback.

Teachers and mentors played a crucial role in guiding students throughout their preparation, ensuring that each project reflected originality and innovation. The collaborative efforts of students and teachers were clearly visible in the quality and diversity of the exhibits presented.

Beyond competition, the event served as an inspiring experience for all attendees. It ignited curiosity, nurtured innovation, and reinforced the importance of science in everyday life. The exhibition not only celebrated knowledge but also encouraged students to think beyond textbooks and become future-ready innovators.

Sanmati Higher Secondary School successfully organized this grand event with excellence and precision. The Regional Science Exhibition 2025 stands as a testament to the school's commitment to promote scientific inquiry, creativity, and holistic learning among students.

CYBER CRIME AWARENESS PROGRAM

“Awareness is the first step towards safety, especially in a digital world where every click matters.”

In an era where technology has become an integral part of our daily lives, ensuring digital safety is no longer a choice but a necessity. Keeping this in mind, Sanmati School organized an enlightening Cyber Crime Awareness Program for its students, aiming to equip them with essential knowledge and practical strategies to stay safe in the online world.

The program was graced by the esteemed presence of Mr. Rajesh Dhanotiya, Additional Deputy Commissioner of Police (ADCP), Crime Branch, Indore, Madhya Pradesh. Known for his extensive experience in handling cyber fraud cases, digital arrest scams, online financial crimes, and large-scale cyber security awareness campaigns, his session proved to be highly informative and impactful.

School celebrated the remarkable achievement of our NCC Cadet, who secured the Second Position in the Inter-School Kho-Kho Competition held at NDPS School during seven days camp.

“गुरुब्रह्मा गुरुर्विष्णुः गुरुर्देवो महेश्वरः।
गुरुः साक्षात् परं ब्रह्म तस्मै श्री गुरवे नमः॥”

Teachers' Day Celebration

Sanmati School celebrated Teachers' Day with great enthusiasm, respect, and traditional grace. The day began on a spiritual note with students performing a beautiful Guru Aarti, creating a serene and devotional atmosphere across the campus. Dressed in traditional attire, students added cultural richness to the celebration.

STUDENT COUNCIL ELECTION-2025-26

Elected Council Members – “Strong Leaders, Strong School!”

The Student Council Election was conducted successfully, and the following students were elected as council members for the academic session:

1. Harshvardhan Sisodiya – President
2. Shagun Khandelwal – Prime Minister
3. Tegan Kaur -Vice President
4. Mahi Joshi- Deputy Prime Minister

All the elected members were congratulated and appreciated for their leadership qualities and confidence. They pledged to perform their duties responsibly and work for the betterment of the school.

“Dreams take flight with determination, discipline, and the courage to believe in oneself.”

Smart Girl Training Workshop

A meaningful workshop was conducted to build awareness, confidence, and essential life skills among girls.

Sanmati School organized an inspiring session titled “Wings of Aspiration”, featuring Ms. Anushka Tiwari, a Training Cadet and future Flying Lieutenant. She shared her journey of hard work, discipline, and dedication required to achieve success in the defence sector.

Daughter of Mr. Ashutosh Tiwari, Chief Manager, Bank of Baroda, she motivated students by sharing her real-life experiences, preparation strategies, and the importance of physical fitness and mental strength.

The session was highly engaging and left a strong impact on students, encouraging them to dream big, stay focused, and work with determination towards their goals.

ANNUAL HOUSE REPORTS

▣ "Like the elements of nature, each house nurtures strength, balance, and individuality—together shaping a harmonious future."

Agni House (Red) – The Flame of Courage and Leadership

Agni House symbolizes the eternal flame that inspires energy, determination, and fearless leadership. Just like fire, students lead with confidence and passion.

▣ Session 2025–26 Performance:

Agni House secured the Second Runner-up position with 4 Gold and 2 Silver medals, showcasing courage and active participation.

House In-charge: Tr. Ranjita Joshi

Vayu House (Yellow) – The Spirit of Innovation and Freedom

Vayu House represents creativity, adaptability, and the power of ideas. Students bring fresh thinking and enthusiasm to every activity.

Vayu House achieved the Third Runner-up position with 2 Gold and 7 Silver medals, reflecting consistency and team spirit.

House In-charge : Tr. Prashant Raj Vaidya

Akash House (Blue) – The Vision of Knowledge and Infinity

Akash House symbolizes limitless potential, wisdom, and excellence. Students consistently aim high and achieve remarkable success.

Akash House with 6 Gold and 5 Silver medals, marking an outstanding and dominant performance.

House In-charge : Tr. Darshana Chouhan

Prithvi House (Green) – The Foundation of Stability and Harmony

Prithvi House stands for balance, stability, and teamwork. Students show dedication, patience, and strong unity.

Prithvi House secured fifth runner up position with 6 Gold and 4 Silver medals, reflecting consistent excellence.

House In-charge : Tr. Richa Jain

Together, these four houses continue to build a culture of excellence, unity, and holistic development.

Overall House In-charge: Tr. Manisha Gupta – Efficiently coordinating and guiding all house activities with dedication.

THE EXCURSION WAS A DELIGHTFUL EXPERIENCE THAT COMBINED LEARNING, EXPLORATION AND FUN

The school organized an educational tour to explore the culture and history of Rajasthan. Students first visited Udaipur, where they saw beautiful lakes, gardens, and museums. They then went to Mount Abu and enjoyed scenic views, temples, and peaceful surroundings. The trip also included a visit to Kumbhalgarh Fort, known for its historical importance. Overall, the excursion was informative, enjoyable, and full of memorable experiences. A Journey of Learning and Fun the educational tour to Rajasthan was a perfect blend of learning and enjoyment, where students explored historical places, experienced rich culture, and created unforgettable memories, while teachers also participated in a short and enriching local tour in Indore.

HEALTH & WELLNESS FOR EVERYONE

Health Camp was organized by Sanmati School in collaboration with Aurobindo Hospital to promote community health and well-being. Experienced doctors conducted health check-ups, provided consultations, and spread awareness about preventive care. Students, parents, and local residents actively participated and benefited from medical advice and early detection of health issues. The event also helped students to learn values like empathy, social responsibility, and community service. Overall, the initiative was successful in strengthening community health and awareness.

TEACHERS TRAINING ENHANCED TEACHING SKILLS

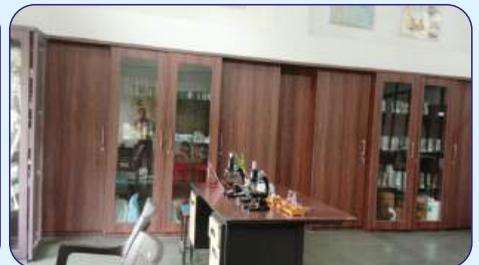

SCHOOL INFRASTRUCTURE & LEARNING SPACES

Our school takes pride in providing a well-developed and resourceful environment that supports both academic excellence and practical learning. The campus reflects a perfect blend of organized infrastructure and well-equipped laboratories, creating an atmosphere where students can explore, learn, and grow effectively.

The labs are designed to enhance hands-on experience and encourage scientific thinking, while the overall infrastructure ensures a comfortable and engaging learning space for every student. Together, these facilities play a vital role in shaping a holistic educational experience.

✦ These glimpses highlight our continuous efforts towards maintaining quality, innovation, and a student-friendly environment.

KHELOTSAV CELEBRATED ENERGY, TEAMWORK, AND TRUE SPIRIT OF SPORTS

Pre-Primary Wing

Coordinator's Message

Greetings,

It fills me with immense joy and pride to pen down my thoughts for this esteemed edition of our School magazine. The Pre-Primary years are the most critical and foundational stage in a child's life, where the seeds of lifelong learning, curiosity, and character are sown.

At our school, we are deeply committed to providing a nurturing, stimulating, and inclusive environment that focuses on the holistic development of every child covering their cognitive, physical, emotional and social well-being. We firmly believe in the power of play-way methods making learning a fun and engaging experience where children feel comfortable expressing themselves and interacting with the world around them.

This past year has been a vibrant journey of exploration and growth. Our little ones have been involved in a plethora activities from creative arts and sports to innovative events and value based learning all designed to foster confidence, critical thinking and essential life skills. The enthusiastic participation of the students and the unwavering dedication of our talented faculty have been truly commendable. As we look ahead, our mission remains to inspire curiosity, instill strong values and prepare our students to become confident, humble and disciplined individuals who can make a positive impact on the world.

I extend my heartfelt wishes to everyone for a fulfilling and successful year ahead.

Rosemary Wilson

Teacher's Message

My Journey as a Pre-Primary Teacher

I joined this esteemed institution as a Pre-Primary Teacher. Over the years, I have the privilege of nurturing young learners during their most formative years—a truly rewarding experience. Pre-Primary education is not just about alphabet and numbers; it's about fostering confidence, creativity, communication skills, and moral values. Working with young children requires patience, empathy, and understanding. Each day offers an opportunity to inspire curiosity, encourage exploration, and instill a lifelong love for learning.

One of the most touching aspects of this role is the trust parents place in us, entrusting their little ones to our care. Creating a safe, nurturing environment where children feel valued and loved has always been a priority. Witnessing tiny learners transform into confident, expressive individuals brings immense joy.

Our school, set in the heart of the city amidst greenery, provides a peaceful and stimulating environment. Over the years, infrastructural developments like mess hall, multipurpose hall, modern audio-visual hall, e-library, smart classes have enhanced the teaching-learning experience. These milestones reflect the trust parents place in us and the school's commitment to excellence. Early childhood education lays the foundation for lifelong learning, character, and responsible citizenship. Nurturing young minds with care and dedication is not just teaching—it is shaping the future. Being part of this noble mission has been enriching and fulfilling.

"The little hands we hold today will shape the world of tomorrow."

Geeta Singh Mehra

Pre-Primary Wing

Children's Day Celebration

Children's Day was celebrated with great joy and excitement. The day was filled with fun games, music, and special activities organized for the children. Teachers made the day memorable by performing and spending joyful moments with the kids. The celebration brought smiles and happiness to every child.

Christmas Celebration

Christmas was celebrated with festive cheer and enthusiasm. The classrooms were beautifully decorated, and children enjoyed singing Christmas carols. A special appearance of Santa Claus with sweets and gifts delighted the kids. The celebration spread the message of love, kindness, and sharing.

DIYA DECORATION ON DIWALI

On the occasion of Diwali, children participated in a diya decoration activity. They beautifully decorated the diyas using colors, glitter, and craft materials. The activity encouraged creativity and helped them learn about the importance of the Festival of Lights. The colorful diyas added joy to the celebration.

Pre-Primary Wing

Fancy Dress Competition

The Fancy Dress Competition was full of creativity and excitement. Children dressed up in different costumes representing various characters, professions, and themes. They confidently walked on to the stage and spoke a few lines about their roles. The event boosted their confidence and imagination.

Father's Day Celebration

Father's Day was celebrated to express love and gratitude for fathers. Children prepared special cards and small performances for their dads. Fathers participated in fun activities and games with their children. The celebration created beautiful memories for both the children and their fathers.

Garba Celebration on Navratri

Navratri was celebrated with vibrant Garba dance and traditional joy. Children were dressed in colourful traditional attire and danced to Garba music. The celebration introduced them to the cultural significance of the festival. The festive environment filled the school with energy and happiness.

Pre-Primary Wing

Gaushala Visit of Tiny Tots

Children visited a gaushala to learn about cows and their importance in our culture. They observed how cows are cared for and fed them with love. The visit helped children connect with nature and animals. It was a meaningful and educational experience for them.

Graduation Ceremony of Our KG 2 Learners Kids

The Graduation Ceremony marked a proud moment for our little learners. Children wore graduation caps and gowns and celebrated their learning journey. They performed songs and dances with great enthusiasm. The ceremony was a joyful milestone for students, teachers, and parents.

Green Day Celebration

Green Day was celebrated to spread awareness about nature and the environment. Children came dressed in green outfits and participated in various activities related to plants and trees where they learned the importance of protecting nature. The day encouraged love and care for the environment.

Pre-Primary Wing

Greenhouse Nursery Visit

Children visited a green house nursery to explore different types of plants. They observed how plants grow and learned about their care. The visit helped them understand the importance of greenery in our lives. It was an enjoyable and informative experience for the kids.

Janmashtami Celebration

Janmashtami was celebrated with devotion and happiness. Children dressed up as Lord Krishna and Radha in beautiful costumes. They participated in dances, songs, and small performances related to the festival. The celebration helped them learn about the birth of Lord Krishna.

Kiddies' Carnival

The Kiddies' Carnival was a fun-filled day full of excitement and enjoyment. Various game stalls, food stalls, and activities were organized for children. Kids enjoyed playing games and winning small prizes. The carnival created a joyful and festive atmosphere in the school.

Kite Flying on Makar Sankranti Celebration

Makar Sankranti was celebrated with the joyful activity of kite flying. Children learned about the festival and its cultural significance. They enjoyed watching colorful kites flying high in the sky. The celebration filled the day with excitement and happiness.

Pre-Primary Wing

Mango Party of Toddlers

The Mango Party was a delightful and refreshing celebration for the children. Kids enjoyed tasting different mango dishes and drinks. They also learned about the king of fruits and its benefits. The party made the day sweet and memorable.

National Sports Day

National Sports Day was celebrated to promote physical fitness and teamwork. Children participated in various fun sports activities and games. They enjoyed running, jumping, and playing together. The event encouraged a healthy and active lifestyle.

Pool Party of Young

The Pool Party was full of fun and laughter for the children. Kids enjoyed playing in the water under proper supervision. They splashed, played water games, and had a refreshing time. The activity brought great excitement and joy to the children.

Rainy Day Celebration

Rainy Day was celebrated with fun filled water-themed activities. Children came dressed in raincoats and carried colorful umbrellas. They enjoyed dancing and playing while learning about the rainy season. The celebration made the day lively and enjoyable.

Pre-Primary Wing

Sports Day with Parents of Small Kids

Sports Day with parents was a wonderful event filled with energy and excitement. Parents and children participated together in fun races and games. The activities encouraged teamwork and bonding. The event created joyful memories for families.

Traffic Park Visit of Early Learners

Children visited a traffic park to learn about road safety rules. They observed traffic signals, zebra crossings, and road signs. The visit helped them understand the importance of following traffic rules. It was an educational and enjoyable experience.

Vidhyaarambh for Toddlers

Vidhyaarambh is a special ceremony marking the beginning of a child's learning journey. Children were introduced to letters and writing in a traditional and joyful way. Teachers guided them with blessings and encouragement. The ceremony symbolized the start of their educational path.

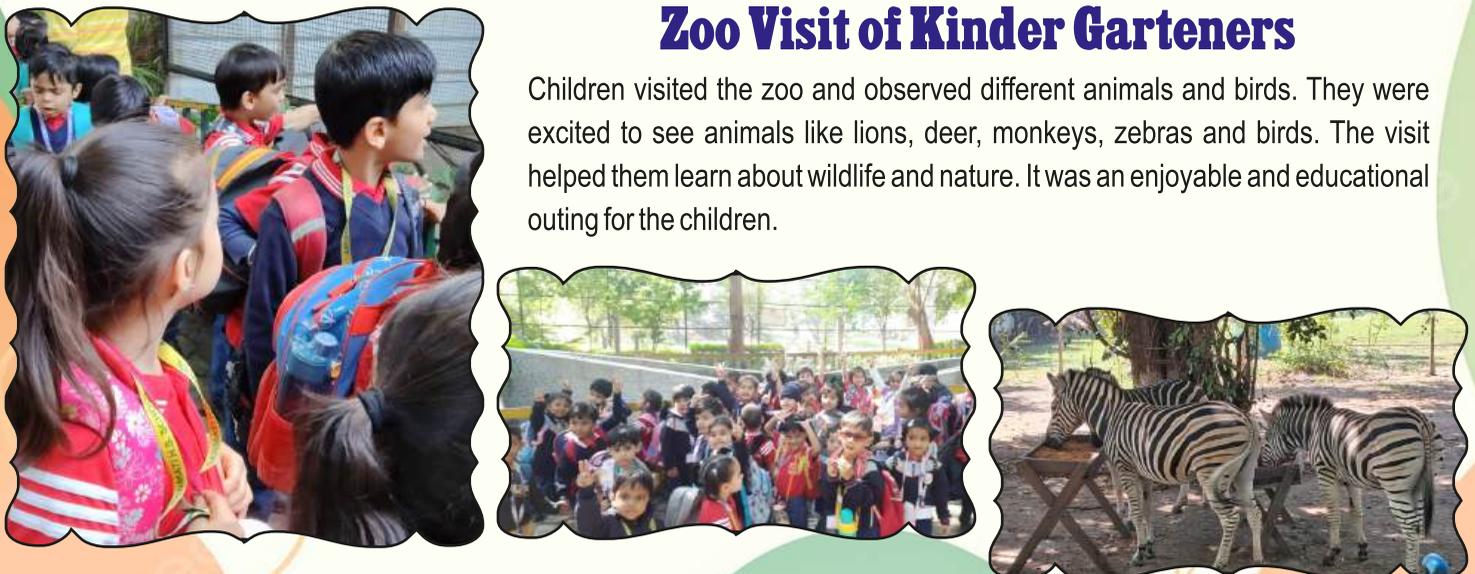

International Yoga Day Celebration

International Yoga Day was celebrated to promote health and well-being. Children performed simple yoga postures and breathing exercises. They learned the importance of staying calm and healthy through yoga. The session created awareness about a balanced and healthy lifestyle.

Zoo Visit of Kinder Gardeners

Children visited the zoo and observed different animals and birds. They were excited to see animals like lions, deer, monkeys, zebras and birds. The visit helped them learn about wildlife and nature. It was an enjoyable and educational outing for the children.

The Smiling Sun

The smiling sun shines bright,
It wakes me up each day.
It fills the sky with golden light
And chases clouds away.
It makes the flowers bloom
And birds begin to sing.
The smiling sun is happy,
And joy to all it brings.

IF I HAD WINGS

If I had wings, I would fly high
up in the bright blue sky.
I would touch the fluffy clouds
and wave to birds flying around.
If I had wings,
I would visit the sun & moon,
and come back home very soon.
If I had wings, oh what fun!
I would fly and play in the sun.
Thank You

Diyanshi Prajapati
KG 2

My Robot Friend

My robot friend is shiny and
bright. He says “hello” in the
morning light. He walks with me
and talks all day. He helps me
study and also play. He counts
my toys – one, two, three.....
He reads nice stories just for
me.
He dance funny, he sings a
song. With my robot, I can’t go
wrong! He says, “Good night,
sleep tight”. My robot friend is
my delight.

Primary Wing

Coordinator's Message

The Primary Wing functions with a clear vision to provide holistic education in a nurturing and stimulating environment. As the foundational stage of learning, our wing is committed to fostering intellectual growth, creativity, discipline, and strong moral values.

Academic Excellence

We emphasize conceptual clarity, experiential learning, and continuous improvement.

Along with academics, we focus on:

- Holistic development.
- Physical fitness and sports activities .
- Value education and life skills
- Creative and co-curricular activities .
- Emotional and social well-being.

The Primary Wing remains committed to creating a joyful learning environment where children feel safe, confident, and inspired to achieve their full potential.

Best regards,

Anamika Atre

Teacher's Message

Learning Beyond Books

Books are very important for learning, but true learning does not happen only through books. We learn many useful things from our daily life experiences. This is what's called learning beyond books.

When you play games, work in groups, draw pictures or take part in activities, you learn new skills. Travelling, talking to diverse people, helping at home and even merely observing nature can teach us many valuable lessons. These experiences help us understand the world better.

Learning beyond books helps us become confident and creative. It teaches problem-solving and helps develop practical skills. Activities like projects, storytelling and discussions make learning more interesting and meaningful. Education is not only about marks but also about becoming a good and capable person. So always stay curious and ready to learn new things.

Remember, learning is everywhere – in school, at home, and all around you.

Keep learning and keep growing!

Sunita Sharma

Primary Wing

The Math Quiz

The Math Quiz for students of Grades 1 to 5 was organized in our school with great enthusiasm and excitement. The aim of the quiz was to develop students' interest in mathematics and to encourage quick thinking and problem-solving skills. Students from different classes participated actively. The quiz included a variety of rounds such as Number Round, Mental Math Round, Puzzle Round, and Rapid-Fire Round. The questions were designed according to the level of each class and included addition, subtraction, multiplication, shapes, time, and measurement.

Junior Editors

Our Class 4 and 5 students turned into young journalists as they created their own mini edition inspired by Dainik Bhaskar. From catchy headlines to school news and fun cartoons, they did it all! Pens become microphones, notebooks became newsrooms, and creativity became their superpower. Future reporters are rising right here in our school!

Road Safety Drawing Activity

Representatives from My FM visited our school and conducted a drawing activity on road safety. Students created beautiful drawings and learned the importance of following traffic rules.

Hindi Diwas

Hindi Diwas was celebrated in our school with great enthusiasm and pride. The program began with a speech highlighting the importance of Hindi as our official language. All students participated actively and expressed their love and respect for Hindi.

Drama Class

The drama class conducted in our school is lively and engaging for our students. Through games and role-plays, children learn to speak clearly and confidently. The sessions help build imagination, teamwork, and self-confidence, providing every child a chance to shine on stage.

Zoo Visit

Our primary students enjoyed a wonderful educational visit to the zoo, which was both fun and informative. They were excited to see a variety of animals and birds closely and learn about their habitats, food habits, and behaviors. The visit helped them connect classroom learning with real-life experiences.

The trip also encouraged curiosity, observation skills, and love for nature among the children. It was a joyful day filled with learning, laughter, and memorable moments.

Primary Wing

Bag Less Day

बैगलेस दिन का प्रमुख उद्देश्य बच्चे सिर्फ किताब से नहीं बल्कि अनुभव एवं गतिविधि से सीखें ।

We started it this year for our students-

- Art & Craft activities
- Science experiments
- Plantation ya gardening
- Educational trips
- Drama, role play
- डिफरेंट प्रोफेशन के बारे में प्रेक्टिकल नॉलेज

इसका फायदा क्या है?

- बच्चों का स्ट्रेस कम होता है ।
- लर्निंग इंटरस्टिंग हो जाती है ।
- क्रिएटिविटी और कॉन्फिडेंस बढ़ता है ।
- प्रेक्टिकल नॉलेज मिलता है ।

Life Skills Activities

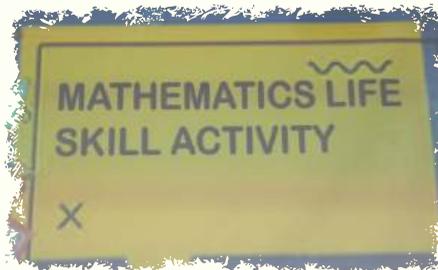

Students from Class I to V actively participated in practical Life Skills activities.

In Mathematics, they learned currency management through money-handling and shopping activities, building financial awareness.

In EVS, they explored traffic safety rules, understanding road signs and safe road practices.

In Language classes storytelling, role play, and speaking activities helped improve their communication and confidence.

Learning became practical, meaningful, and connected to real life.

E-Log Book

The E-log book introduced by our school ensures parents and students remain updated regarding the daily curriculum. Parents receive regular information about classwork and homework. It becomes quite clear to parents what their child does in school.

SANMATI HIGHER SECONDARY SCHOOL
CLASS TEACHING LOG BOOK (2023-24)

Date	Class	Subject	Topic	Day	Teacher	Remarks
2	Grade 1	Maths	Revision			Students will be able to identify the shapes.
3	Grade 1	English	Reading			Students will be able to identify the shapes.
4	Grade 1	Maths	Revision			Students will be able to identify the shapes.
5	Grade 1	Maths	Revision			Students will be able to identify the shapes.
6	Grade 1	Maths	Revision			Students will be able to identify the shapes.
7	Grade 1	Maths	Revision			Students will be able to identify the shapes.
8	Grade 1	Maths	Revision			Students will be able to identify the shapes.

Primary Wing

Robofest 2025 : A Fun-filled Learning Experience

Our school hosted Robofest, an annual robotics exhibition that encourages students to learn science, engineering, technology, and math (STEM) concepts. The event saw enthusiastic participation from Grade 1 to 5 students, who designed, built, programmed and showcased their robotics projects based on real life applications.

Interaction With Grandparents

Grandparents visited the classes and discussed the students' academic progress and overall development. They also shared observations about the children's behaviour at home. The teacher and grandparents exchanged views and shared experiences for the better growth of the students. The interaction was positive, supportive, and helpful in strengthening coordination between home and school.

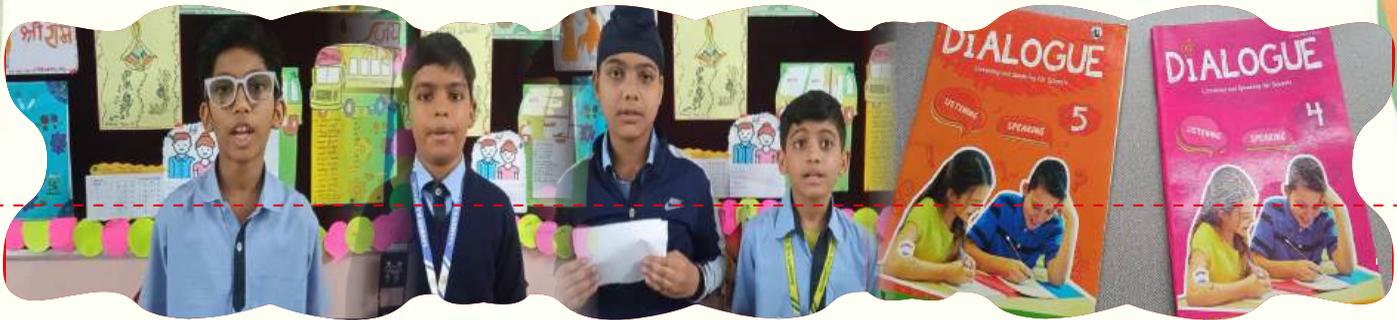

Kiddies' Carnival

Our school organized a colorful Kiddies' Carnival for the young students. The entire campus was filled with joy and excitement. There were many fun games, creative activities, and exciting prizes. Students also enjoyed tasty snacks. The carnival helped children build confidence and teamwork. It was a fun-filled and unforgettable day for everyone.

The "New Experience" Approach

This year, we started using a new *Dialogue Book* , and it has made our English classes so much more fun! Instead of just reading, students get to listen to real audios and then answer the questions in their books. It feels like students are part of the conversation, and it is really helping them speak more clearly. It is a great way to learn and communicate effectively with others.

Comprehensive Assessment

The Comprehensive Assessment system started in our school is a positive step towards the holistic development of students. It helps in evaluating not only academic performance but also skills, behaviour and participation. Continuous and activity-based assessment makes learning more effective and stress-free. Regular copy auditing ensures proper checking, consistency, and improvement in students' written work. Overall, it supports the overall growth of every child.

Constitution Day Celebration

Our school celebrated Constitution Day of India on 26 November with great enthusiasm. Students learned about the importance of the Constitution of India and its core values. Teachers explained the rights and duties of citizens. The celebration helped students understand the importance of democracy and develop deep respect for the nation.

School Assembly Presentation

School assembly presentation is an important part of our daily school routine. During the assembly, we pray together, sing the national anthem and listen to important announcements. It also gives students a chance to share poems, news and interesting facts. Assembly teaches us values like respect, unity and responsibility. When we stand together, we feel that we are part of one big school family.

Diwali Celebration in School

Our school celebrated Diwali with great joy and enthusiasm. The campus was beautifully decorated with rangoli, flowers, and diyas. Students came in traditional attire and participated in various activities like singing, dancing, and making Diwali cards. Teachers explained the importance of Diwali as the festival of lights which teaches us to spread happiness and goodness. Everyone shared sweets and exchanged festive wishes. The celebration made the day very special and memorable.

CHILDREN'S DAY

is celebrated with great joy and enthusiasm in our school on 14 November, the birthday of Jawaharlal Nehru. On this day, teachers organized fun activities, games, and dances for students. Some teachers also performed special acts to entertain the children. The celebration made students feel happy and special. Children's Day reminds us that children are the bright future of India.

Primary Wing

Best Out of Waste Activity

The Best Out of Waste activity helps children learn how to use old and waste materials in a creative way. When children participate in this activity, they feel happy and proud of their creations. It encourages them to think creatively and develop new ideas. Children appreciate this activity because they can make useful and beautiful things from items like old newspapers, plastic bottles, cardboard, and boxes. It also teaches them the importance of recycling, saving resources, and protecting the environment.

Through this activity, children develop creativity, problem-solving skills, and confidence. They also learn the value of not wasting things and using resources wisely. Overall, Best Out of Waste is a fun and educational activity.

Parent Teacher Association Meeting

A Parent-Teacher Association (PTA) meeting was held at Sanmati Higher Secondary School to discuss the academic progress and overall development of students. The meeting was attended by the principal, teachers, and many parents. Teachers shared information about students' performance in studies and their behavior in school. Parents also gave their suggestions and discussed their children's progress. The principal encouraged parents and teachers to work together for the bright future of the students. The meeting ended with a vote of thanks to all the parents for their support and cooperation.

International Yoga Day Celebration

Our school celebrated International Yoga Day on 21 June with great enthusiasm. Students participated in various yoga activities and learned simple asanas and breathing exercises. Teachers explained the importance of yoga for a physical well-being and peaceful mind. The celebration encouraged students to adopt yoga in their daily routine for a balanced and healthy life.

Primary Wing

Nature's Walk

"Our Garden, Our World"

~Little feet on the grassy floor,
Opening nature's magic door,
Where every leaf and every flower,
Shows us world's green power.~

Who says we can only learn from books? Our beautiful school garden recently turned into a giant, living classroom for our primary students! The Nature Walk was a special day where every leaf and bug had a story to tell.

With magnifying glasses in hand, our little explorers stepped out to discover the magic of the outdoors. They:

- * Felt the soft petals of flowers
- * Watched busy ants at work
- * Listened to the peaceful sounds of birds

It wasn't just a walk; it was a way for our children to see how everything in nature works together in harmony....

Khelotsav 2025

The school hosted an exciting Khelotsav, bringing together students from classes 1-12 to showcase their athletic skills and teamwork. The event was a vibrant celebration of sportsmanship, with students participating in events like athletics, basketball, football, volleyball, Taekwondo, fun activity like tug-of-war. The event was a huge success, promoting physical fitness and camaraderie among students. Hon'ble Principal Mr. Chandrakant Sharma awarded medals and certificates to the winners, congratulating them on their achievements. Everyone enjoyed the thrill of competition and celebrated the spirit of the event.

Raksha Bandhan Celebration

Our school celebrated Raksha bandhan with immense joy and enthusiasm. The day featured creative rakhi making workshops and a special assembly, promoting unity, empathy and cultural values among students. The teachers explained that raksha bandhan is not only about brothers and sisters but also about love, care and respect for everyone. The celebration was a resounding success, leaving the children with smiles, memories to cherish and a deeper understanding of our cultural

Primary Wing

Holi Celebration

Students celebrated Holi in school with great enthusiasm and joy. They participated in a safe and eco-friendly colour play, shared sweets, and greeted each other warmly. Various activities like dance, music, and art made the celebration lively. The event helped students bond with their friends and learn the true spirit of togetherness and happiness.

INDEPENDENCE DAY CELEBRATION

MATH QUIZ

Primary Wing

A DAY WITH SUPERHERO

One morning,
I heard a knock on my window. It was a superhero!
He said, "Come with me!"
We flew in the sky like birds.
We saved a kitten stuck in a tree.
The superhero told me, "Being kind is the real superpower."
At the end of the day, he dropped me home and smiled.
I learned that I can also be a superhero by helping others.

MY MAGIC WAND

I found a magic wand.
It was shiny and bright.
I said, "abra ca dabra!"
Suddenly, my room had chocolates!
I helped my mom clean the house.
The wand made flowers bloom.
I used my magic to help everyone.
It was fun!

MY SIGNATURE DISH

PANEER TIKKA : POEM

Paneer tikka, creamy delight marinated perfection, a flavourful bite. Spices blend, a symphony sweet. A veggie treat, that can't be beat rich and creamy, royal treat paneer tikka, a dish so neat served with rice or naan, so fine a flavour explosion, all the time!

MY DREAM SCHOOL

- 1) MY DREAM SCHOOL IS VERY BIG.
- 2) IT HAS MANY CLASSROOMS AND A COMPUTER LAB.
- 3) SCHOOL IS A SECOND HOME FOR CHILDREN.
- 4) EVERY STUDENT WANTS TO STUDY IN A GOOD SCHOOL.
- 5) I AM PROUD OF OUR SCHOOL.

BHAVI AGRAWAL

2nd C

A DAY WITH A SUPERHERO

I don't know many superheroes from books and TV, but I know a real superhero in my life—my dad. He doesn't have a cape or flying powers, but when he lifts me in his arms, I feel like I am touching the sky. He works hard all day just for me and always plays with me in the evening, even when he is tired. He cares about my smallest joys and teaches me how to be a good person. My dad is also my cricket coach. I want to grow up just like him because he is truly the best father (superhero) in the world!

A Day Without Electricity

Electricity is a very important part of our life. One day, the power went off in the morning and did not come back all day. Without electricity, everything became difficult. The fans and lights did not work, and it was very hot inside the house. I could not watch cartoons. I studied in candlelight. I went out to play. I talked with my friends and my family. We must use energy-saving products such as LED bulbs. Solar panels are a great alternative for reducing energy consumption. The day taught me how important electricity is in our daily lives. We should not waste it and should use it wisely. A day without electricity is a day full of lessons.

A Trip to the Moon – Moonward Bounds

Blast off into the velvet night,
Leaving trails of fire and light,
Past the clouds and stars so high,
Across the ocean of the sky.
The Moon is silver, round and wide,
With craters where the shadows hide.
A giant leap, a floating dance,
A silent, peaceful, cosmic trance.
If you are planning an actual space-themed event,
You can check out NASA's Moon to Mars Program
for some real inspiration.

My Dream School

My dream school, I love to go to school. I love to learn new thing and sports. I enjoy being with friends and I would also teach cooking of course. I would also teach usual subject like Math, English etc.

There would be less people in classes and the students would go on trips very often so they can become a good team. My school would also have a garden with a gardening class.

There would also be a bunch of different clubs that student could join, like dance, drama, debate, etc. Students could pick between languages that they want to study and we would have different themed days like Decade Day, Pancake Day, Green Day when we study outside all day.

Rudraksh Mishra
5th A

A Day with Superhero

By sweets glow on the city below,
 I asked him what made his powers grow.
 He smiled and said, "It's not just might –
 It's choosing to do what's kind and right."
 When night returned and stars shone deep,
 He left as the world fell fast asleep.
 Yet something stayed when he flew away –
 The hero inside me woke that day.

My Signature Dish - Mango Shrikhand

Summer season is coming, and we all are waiting for mangoes!!!

Mango Shrikhand is the perfect blend of creamy curd and pulpy mango, which makes a delicious and mouth melting dessert for summer.

And especially it is one of my most favourite sweets that I can make my own.

I am sharing the easiest recipe here to make it your own and surprise your parents with your talent. For mango Shrikhand we will need:

1 cup Hung Curd

½ Cup Powdered Sugar

½ Cup Alphonso Mango Pulp

1 tsp cardamom powder

Chopped nuts for garnishing

First mix hung curd and powdered sugar in a mixing bowl.

Now add mango pulp in it and blend it slowly with hand blender.

Add cardamom powder to enhance its flavor.

Finally garnish it with your favourite nuts.

Now your Mango Shrikhand is ready.

Serve it chilled and enjoy it.

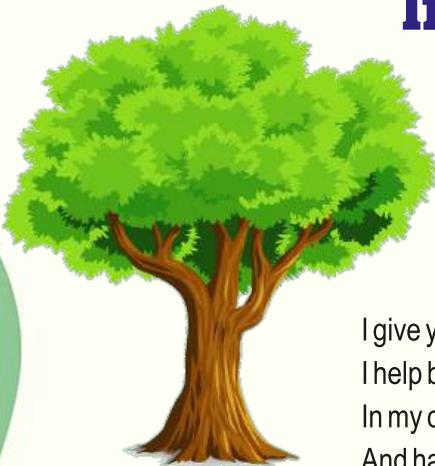

Suhrud M. Chhatre

If Trees Could Talk

If Trees Could Talk

If a tree could talk,
What would it say?
"Please don't cut me down,
Just walk away,"
Cried the tree one day.

I give you shade when the sun is bright,
I help bring rain and keep air light.
In my cool shade you rest with ease,
And happily eat my fruits from trees.
Breathe in my fresh and pleasant smell,
Let me live and grow well.
Save Trees, Save Earth!!

Yashi Chauhan

2nd B

If trees could talk, they would say,
"Please give us water."
They would also say, "Do not cut us."
Trees give us fruits and flowers.
They give us cool shade.
They give us fresh air to breathe.
Trees make the Earth green and beautiful.

I love trees.
I will plant more trees and take care of them.

Coordinator's Message

A Year of Heart and Purpose

"Educating the mind without educating the heart is no education at all."

As I complete my first session as the Middle Wing Coordinator, this quote has become my daily compass. Stepping into this role, my goal was to look beyond the percentages on a report card. I wanted to create a space where we don't just "grade" children, but truly see them.

This year, we have moved away from the heavy pressure of marks to focus on the "why" behind learning. Every child has a unique rhythm, and I have worked closely with our faculty to ensure we meet every student exactly where they are. No child should feel left behind simply because they learn differently.

One of my favorite transformations this year has been seeing our Observation Registers and Logbooks become more than just paper. To me, these are not chores; they are "living bridges" between us. When a teacher leaves a note about a child's kindness or a small win, they are inviting you to hold our hands as we guide your child's journey together.

Education is about character. It is about the quiet moments where we foster empathy and emotional strength. We aren't just preparing students for exams; we are cultivating the confident and responsible adults of tomorrow.

I am deeply grateful to my team of educators for bringing this vision to life, and to my students for being my greatest teachers this year. It is an honor to lead this wing, and I look forward to the many milestones we will achieve together.

Warm Regards
Ruchi Sogani

Teacher's Message

The Architecture of Wonder

"Science is the art of teaching a young mind to see a leaf, a star, or a mistake as a doorway to a new world."

In the middle years (Grades 6–8), childhood wonder transitions into analytical logic. At Sanmati H.S. School, the most profound sound in our classroom is the quiet stillness of a thinking mind—that breathless second before a student finally "gets it." This "Aha!" moment is the true heartbeat of my journey.

Our school is a living ecosystem. Under the guidance of our Principal and Management, we have built a culture where innovation flourishes and a "mistake" is simply a valuable data point. This environment nurtures the scientific temper.

To my students: Your curiosity inspires me every day. Science tells us that energy cannot be destroyed, only transformed. Every day, I see your curiosity transform into wisdom and your wonder into critical thinking. It is a profound honor to walk this path of discovery with you.

Suchita Acharya

Middle Wing

Vidhyarambh Ceremony

The new academic session began with Saraswati Pooja and a special assembly, where the Principal blessed students and distributed pens as symbols of knowledge.

Mahavir Janmotsav

A special assembly was held by Middle Wing to celebrate Lord Mahavir's birth anniversary, highlighting Lord Mahavir's message of Ahimsa and "Live and Let Live."

Re-living History Educational Visit

Grade 6 students visited the Central Museum, Indore, exploring ancient artifacts and learning about India's rich heritage.

Earth Day: Flora Digitisation

Our students celebrated Earth Day by creating QR codes for campus plants. They learned QR code generation practically and scanned and accessed botanical information while exploring the school garden.

International Yoga Day

Our students participated in a mass yoga session, practicing Surya Namaskar and various asanas in perfect synchronisation.

Rakhi Making Activity

Students enthusiastically created beautiful rakhis, showcasing their creativity and understanding of the festival.

Rangoli Making Activity

The activity encouraged creativity and helped students appreciate traditional Indian art.

Das Lakshan Mahaparv

Students of the Middle Wing delivered excellent performances, highlighting the festival's values.

Mission Poshan : Fireless Cooking Activity

Students prepared healthy dishes without using fire and learned the importance of nutritious food.

Voices of Inspiration – School Assembly

Our Middle wing school assembly served as a platform where our students confidently shared inspiring thoughts, speeches, and messages. Their voices motivated everyone to begin the day with positivity, confidence, and a spirit of learning.

Small Steps, Big Impact: Take the Pledge

Our Middle Wing family gathered for a powerful awareness session on saying "No" to drugs. Through interactive discussions and shared reflections, our young leaders explored how peer pressure works and why protecting their mental and physical health is the ultimate "win."

A Day of Energy and Enthusiasm

The day filled the campus with energy and excitement. The event encouraged teamwork, sportsmanship, and a healthy competitive spirit among all participants.

MY YOUNG GENIUS MINDS: UNVEILING THEIR THOUGHTS

The Real Capeless Crusaders

Without them, we are nothing but zeroes.
Women are the real superheroes.
There isn't anything that a woman can't do.
Our very existence is because of you.
Everything you do, you give your best.
With grace as high as Mount Everest.
Having reached so many milestones,
You are queens worthy of all the thrones.
You are kind, creative, strong, and smart—
A perfect combination of mind and heart.

Piyush Kushwah

My Stardust Lantern

I borrowed a star for a lantern bright,
And stitched a rocket from silver light.
The sky unzipped, the planets gleamed,
As I chased the edge of a cosmic dream.
The Moon wore dust like powdered snow,
And whispered secrets soft and slow.
I left my footprints in its glow,
A quiet hello from Earth below.
I danced where gravity felt so shy,
And tossed my laughter to the sky.
I filled my pockets with stardust soon,
A sparkling gift from the gentle Moon.

Kinjal Pawar,
7 A

My World Unplugged : A Journey Back to Basics

A day without electricity,
Created a huge complexity.
There would be no light to brighten the room,
No fans or air conditioners to keep the air cool.
How to spend time without phones, computers, or television?
It confuses me to make any decision.
Then I started spending time with my family and friends,
Reading books, playing board games, and taking walks until the day comes to an end.
Without electricity, we taught ourselves many things to do,
Which we also missed out on when we had electricity.
Though a day without power makes me a little inconvenienced,
In the end, the time spent becomes more relevant.
So I hope we do this once a month,
To spend time without gadgets and have fun!!!

RIDAM TIWARI
7 A

A Trip to the Moon-Walking and Heart-Racing

If I ever get a chance to go to the Moon, I think it would be the coolest day of my life. I imagine sitting inside a rocket, feeling nervous but excited at the same time. When the rocket launches, my heart would beat super fast!

On the Moon, everything would feel strange and quiet. I would try jumping just to see how high I can go. I think I would laugh a lot because it would feel funny walking there. I would look at the Earth from space and realize how beautiful our planet is. After exploring and taking pictures, I would come back home with amazing memories to tell everyone.

ANANT KUKREJA

Middle Wing

Indore's Green Leap: From Spark to Sunlight

Imagine a day when the hum of the AC and the glow of screens fade away. Without the fascination of gadgets, we reconnect with nature and our families—talking, playing, and noticing the soft rustle of leaves. A "Planned Blackout" isn't just about saving units; it's a powerful stand against the Greenhouse Effect.

Most of our electricity comes from burning fossil fuels, which pumps massive amounts of CO₂ into the atmosphere, causing global warming. To combat this, we must transit towards Solar Power. By adopting solar energy, we can harness the sun's clean power without harming our planet.

Our city, Indore, is already a champion of cleanliness. It is now time to take the next big step: "Clean Indore to Green Indore." Environmental conservation is our collective responsibility. By choosing to unplug and switch to renewable energy, we protect our future.

Remember: "Switch off a bulb, switch on hope." Let's turn off the lights to switch on a brighter, greener tomorrow!

Beyond Bricks: My Vision for Learning

My dream school is a place where learning feels like an exciting adventure. It has bright and airy classrooms, a peaceful library full of wonderful books, and modern labs where we can learn by doing experiments. Every corner of the school inspires students to think, create, and grow.

The teachers in my dream school are kind, supportive, and motivating. They make lessons interesting with stories and real-life examples. They encourage us to ask questions and believe in ourselves. In my dream school, studies and sports go together, and every child gets a chance to shine through music, art, and drama. It teaches not only lessons from books, but also values like honesty and teamwork, helping students grow into confident and kind individuals ready to make the world better.

A Day With Super Hero

Subject:

Heroic Deeds and Acts of Kindness

Swinging through the skyline as Spidey's sidekick, our day was a blur of high-stakes web-slinging and heartfelt community service. We started by intercepting a high-speed chase near Times Square, where Peter's Spider-Sense helped us web up the getaway car before anyone got hurt. But the real heroism happened on the sidewalk; we spent our afternoon helping a lost toddler find his parents and sharing pizza with a homeless veteran. Whether we were stopping a rooftop robbery or simply fixing a neighbor's flat tyre, Spidey proved that being a "Friendly Neighborhood" hero means the small acts of kindness matter just as much as the big battles.

The Sanmatiyān Spirit

School is more than just a building; it is the sanctuary where we cultivate knowledge and character. Often called a second home, it is where teachers act as guiding lights, imparting the wisdom that illuminates our path. Alongside them, friends add vibrant color to our days through collaboration and shared joy.

As a Sanmatiyān, I am fortunate to have a platform that balances rigorous academics with diverse co-curricular activities. These experiences don't just fill our time—they build our personalities. Time truly flies when you are growing. Witnessing our collective achievements fills me with immense pride, and I am honoured to spend my journey in such an inspiring environment.

A Hero in My Neighborhood

Last Saturday was the most exciting day of my life because I got a chance to spend a whole day with a superhero. Early in the morning, I heard a loud sound outside my house. When I went out to see what was happening, I was surprised to see Spider-Man standing there. He told me that he wanted to show me how a real superhero spends his day. First, we walked around the city to see if anyone needed help. Suddenly, we heard people shouting. A small child was crying because his balloon was stuck in a tall tree. Spider-Man quickly climbed the tree and brought the balloon back. The child smiled happily, and I felt proud to stand beside a hero. In the afternoon, we helped an old man cross a busy road and rescued a kitten stuck on a rooftop. I learned that being a superhero is not only about fighting villains but also about helping people in small ways.

The Backpack's Protest

One morning, I was getting ready for school. I quickly stuffed my books into my school bag. Suddenly, I heard a small voice saying, "Ouch! Please be careful!" I looked around in shock. There was no one in my room. Then the voice said again, "Down here!" I realized the voice was coming from my school bag! My school bag started speaking. It said, "You always throw me on the floor. You never clean me. I carry your heavy books every day, but you don't take care of me." I felt very sorry. I never thought about how badly I treated my bag. I promised my school bag that I would keep it clean and handle it gently. From that day, I packed my bag properly and kept it neatly. My school bag never spoke again, but I learned an important lesson: "We should take care of the things that help us every day."

You're on Your Own

You spill a joke on the table,
They laughed and couldn't stay stable.
When you're in pain, eyes full of tears,
But no one's here to hold your fear.
You try your best, but they just copy the rest.
When you tell them that you did trust,
Then their laugh will be an outburst.
In the world of villains,
You have to be strong and not feel down.
In the world of villains,
You're on your own, all alone.

My Signature Dish

In my little kitchen corner bright,
I cook with joy and pure delight.
A pinch of spice, a splash of cheer,
A secret recipe I hold so dear.
Red like love and juicy tomatoes,
Green capsicum neatly flows,
Golden corn like sunshine beams,
Cooking feels like chasing dreams.
Sizzling sounds begin to play,
As colors dance in their own way.
But the most important ingredient is that –
A spoonful of love in every dish.
When my family smiles and say, "So yum",
I know my chef journey has just begun.
One day my name will proudly shine,
Beside my special signature dish.

A Lesson from a Power Cut

Electricity is an important part of our daily life. We use it for lights, fans, computers, mobile phones, and many other things. It makes our work easier and our lives more comfortable. However, we often do not realise its importance until there is a power cut.

A day without electricity can teach us many lessons. One day, there was no electricity in our area for several hours. In the morning, I woke up feeling hot because the fan was not working. I could not watch television or use the internet. My mobile phone battery was also low, but I could not charge it.

At first, I felt bored and a little irritated. After some time, I decided to find other ways to spend my day. I played board games with my family, and we had a lot of fun. In the evening, we all sat together and talked, which made the time enjoyable.

At night, we went to the terrace and enjoyed the cool breeze and the bright stars in the sky. It felt calm and peaceful.

That day made me realise how much we depend on electricity. It is truly a wonderful gift of science, but we should use it wisely. We should switch off lights and fans when they are not needed to save energy.

A day without electricity may feel difficult, but it helps us understand its true value and reminds us to conserve this important resource.

The Silent Plea: If Trees Could Talk

During a family trip to the jungle, I noticed the trees seemed to be whispering. Suddenly, a tall tree spoke, "We are in trouble. Humans are cutting us down, harming the environment." Shocked, I asked if they didn't realize how important trees are.

The tree replied sadly, "They forget we are the lungs of the Earth, providing oxygen and shelter. Our roots hold the soil and support wildlife, yet our forests are shrinking." I promised to help. The tree smiled and urged, "Spread awareness, plant more trees, and reduce paper waste. Every small action counts."

Determined, I organized a community tree-planting event. Many joined us to plant and nurture saplings. Months passed, the air felt fresher, and birds returned to our growing forest. The tree spoke to me once more, "You are making a difference. Let's grow together." Seeing the forest thrive, I realized that when we listen to nature, it becomes a symbol of hope for all of us.

Chasing the Winds of Change

I woke up to a loud knock on my door. It was Storm Chaser, the fastest hero in the city! "Today, young adventurer, you're joining me on a mission!" he said with a grin.

We sped through the streets, dodging pedestrians and cars. Our first stop was the city's science museum, where a tornado was threatening to destroy it. Storm Chaser whipped up a gust of wind, and we worked together to calm the storm.

As we explored the museum, I asked, "How do you control the weather, Storm Chaser?" He smiled, "It's all about harnessing the power of the elements. Want to try some storm-chasing?" We battled a hailstorm, saved a plane from crashing, and even stopped a flood! It was the best day ever!

As the sun set, Storm Chaser said, "You're a natural! Keep chasing the winds of change."

Shadows and Stars: When the Lights Went Out

The clock on the wall gave a final tick,
The lights disappeared with a sudden click.
The fridge stopped its hum, the TV went black,
The Wi-Fi departed and didn't come back!
I reached for my phone with a heavy sigh,
But its battery reached for a long goodbye.
The house was so quiet, the house was so still,
The silence felt strange, like a wintry chill.
But then, in the shadows, a candle was lit,
And around the old table, we started to sit.
No glowing screens or games to play,
Just stories and laughter to brighten the day.
We looked at the stars from the dark windowpane,
We heard the soft rhythm of falling rain.
We talked and we joked till the moon rose high,
Without any gadgets to capture our eye.

हिन्दी भाषा के स्तंभ

वर्णमाला हिंदी की वैज्ञानिक मनभावन ।
13 स्वर 39 व्यंजन, अक्षर इसके 52 ॥
कोई भी हो तो नाम अगर, संज्ञा यह कहलाता ।
संज्ञा के बदले जो आता, सर्वनाम कहलाता ॥
कोई भी हो जो काम अगर, तो क्रिया उसे हम कहते ।
जिनका रूप अब कभी न बदले, शब्द उसे हम कहते ॥
पुरुष जाति का बोध कराते, शब्द कहलाते पुल्लिंग ।
स्त्री जाति का बोध कराते, शब्द कहलाते स्त्रीलिंग ॥
संख्या में एक अकेला होता है, एक वचन ।
अगर एक से ज्यादा होता, कहलाता बहुवचन ॥
तीन पुरुष हिंदी में होते, उत्तम, मध्यम, अन्य ।
उत्तम मैं हूँ, मध्यम तुम हो, तीसरा होता अन्य ॥
जिन शब्दों का अर्थ एक हो, पर्यायवाची कहलाते ।
एक दूसरे से जो उल्टे, विलोम शब्द कहलाते ॥
जग से न्यायी बहुत ही प्यारी, हमारी हिंदी व्याकरण ।
नहीं इसके जैसी है, कोई पुस्तक मनभावन ॥

पेड़ों से प्यार करो

सुनो सुनो क्या नानी कहती ।
हवा सुहानी अब ना बहती ॥
चिड़िया अब ना गीत सुनाती ।
घर आंगन में अब ना आती ॥
पेड़ों के कट जाने पर ।
रूटे बादल बरसने से ॥
पंछी का रैन बसेरा छूटा ।
मीठा था जो सपना टूटा ॥
पेड़ों से तुम प्यार करो ।
मित्रों सा व्यवहार करो ॥
पेड़ लगाकर स्वयं पर तुम ।
मानव यह उपकार करो ॥

Coordinator's Message

“A good school not only teach lessons, it builds dreams for the future.”

Sanmati School stands as a beacon of excellence, innovation, and value-based education, continuously setting new benchmarks in holistic learning. As the Senior Wing Coordinator and Head of the Hindi Department at Sanmati School, I feel honored to work under the visionary leadership of our respected Principal Sir. His innovative approach and continuous encouragement have played a vital role in the institution's remarkable growth. With the support of my dedicated and dynamic team, we actively promote a student centered learning environment where every child's voice, creativity, and potential are valued. Through innovative teaching strategies and value-based education, we focus on holistic development rather than academics alone. Our vision ahead is to strengthen a progressive, disciplined, and student-focused culture that nurtures confidence, critical thinking, leadership, and lifelong learning skills — preparing our students to become responsible and future-ready individuals. With the ongoing innovations in the school and our future goals, we remain committed and energized to ensure the holistic development of our students, moving forward with great optimism and positivity.

Warm Regards

Anjali K.N. Sharma

Teacher's Message

जीवन एक सतत प्रवाह है, जो जन्म से आरंभ होकर अनुभवों, संघर्षों और उपलब्धियों के विविध पड़ावों से गुजरता हुआ आगे बढ़ता रहता है। जीवन केवल समय का बिताना नहीं, बल्कि हर दिन कुछ नया सीखने, समझने और स्वयं को बेहतर बनाने की प्रक्रिया है।

जीवन में कुछ पड़ाव ऐसे होते हैं जो केवल समय की अवधि नहीं होते बल्कि हमारी पहचान का आधार बन जाते हैं। सन्मति विद्यालय में बिताए गए तेईस साल केवल नौकरी के वर्ष नहीं बल्कि सीखने, सिखाने, संघर्ष करने और निरंतर आगे बढ़ने की एक प्रेरणादायक यात्रा रहे हैं।

इन वर्षों में शिक्षा प्रणाली में अनेक परिवर्तन आए। परंपरागत शिक्षण पद्धतियों से लेकर आधुनिक तकनीकी साधनों तक का परिवर्तन अनुभव किया है। ब्लैकबोर्ड से स्मार्टबोर्ड तक की यात्रा में मैंने स्वयं को समयानुकूल ढालने का प्रयास किया। अनुभव मेरे जीवन की अमूल्य निधि है। भविष्य में भी इसी समर्पण और उत्साह के साथ शिक्षा के इस मंदिर (सन्मति विद्यालय) में अपना योगदान देती रहूँगी।

MEMORIES

It's been a journey of 5 years,
But now, it's end seems to be so near.
Once a sanmatiyani always a sanmatiyani rightly said,
It's reflection on my life, I'll never let fade.
The last bench will always hold a special place in my heart.
And not to forget,
So many friendships to give an amazing start.

While front benchers, sat there making notes,
The back benchers sat there.
giving life to those friendship quotes.
Having water fights at the water cooler.
The parking area has its own amazing tale,
The place where all the stories were told in detail.
Move in a line and where's the serviette?
Is something that'll always echo in my ears.
For making those projects,
I wish I could get an entire new year!

From preparing farewell last year,
And then getting a farewell this year.
Time passed so soon,
Feels like it was just yesterday noon!

In every nook and corner of this place,
Some beautiful memories are made.
As we walk towards the end of this decade,
I hope, wish and pray....

Shagun Khandelwal
Prime Minister (School council)

Parents: The Roots of a Child's Life

"Roots are never seen,
yet they are the reason the tree stands tall."
Parents are the roots of a child's life.
They remain behind the scenes, unseen and uncelebrated,
yet they hold us steady through every storm. Just like roots
give strength to a tree, parents give strength to their
children quietly, patiently, endlessly.
From our first step to our first dream, parents walk with us.
They sacrifice their sleep for our comfort, their desires for
our needs, and their dreams so that we can chase ours.
Many of their sacrifices go unnoticed, not because they are
small, but because they are made with love, not
expectation.
To be a child is to grow.
To be a parent is to let go slowly, silently, and bravely.
Children often dream big: to fly high, to succeed, to make a
mark in the world. But behind every dream stands a parent
who believes first. Our dreams for our parents, then, should
not only be about success, but about giving them pride,
peace, and happiness.
With growth comes responsibility.
The responsibility to remember our roots,
to stay humble,
to stay grateful,
and to never forget those who made our journey possible.
A child may become strong branches reaching the sky,
but it is the roots - the parents
that keep the tree alive.
And the greatest success of a child is to honor those roots
with love and respect.

Ms. Tanya Arya

A Heartfelt Note for Sanmati

Sanmati is not just a place of learning; it is a place where dreams begin to take shape. Being a part of Sanmati has been a truly meaningful journey for me. Here, every classroom is filled with knowledge, encouragement, and inspiration.

Our teachers guide us with patience and wisdom, helping us grow not only academically but also as responsible and confident individuals. The environment of Sanmati motivates us to believe in ourselves and strive for excellence in everything we do.

Sanmati has given us memories that we will cherish forever — moments of learning, friendship, laughter, and growth. It has taught us the value of discipline, hard work, and kindness.

I feel proud and grateful to be a part of the Sanmati family, a place that continues to shape our future and inspire us to achieve our dreams.

Vanshika Chouhan, 12th

As ex-president of Sanmati Higher Secondary School, I'm grateful for the opportunities that shaped me. The school gave me a platform to develop leadership skills, embrace my strengths, and express myself. I'm thankful to our principal, teachers, and juniors for their support and guidance. Sanmati is more than just a school – it's my support, guidance, and rock. It nurtured me, helped me grow, and was a journey of self-discovery. To current students, I wish you success and happiness. Thank you, teachers, for your love, respect, and guidance. You've been my pillar of support, my charm, and my second home. I'm grateful to have you all in my life. Signing off as your president,

**Khushi Jain
Ex. Student**

It's a 12-year story...

My first steps to the classroom, First steps to make me bloom.

New rules and new groups, Six year old me in school shoes. Teacher and friends in 2nd grade, Learning multiples on the grounds we played.

Full tummys in the mess hall, Full too masti with kho-kho and basketball.

3rd class with a chance, On the stage with a dance. Make-up, dresses and laughter, Making that annual function a BLOCKBUSTER! 4 hands in a pair, Making the competition fair.

Best friends in a class 4 collab, Scouring MS world in the computer lab.

Children's Day came in a pinch, Outside the bus flew a finch. Safari park with the whole class, 5th graders with a fruit juice glass.

6th grade we're almost to be teens, Then came along COVID-19.

10th boards with a goal, Went to the centre with a scared soul. May 13th came with the scores, Gave us what we asked for. Choosing a stream for our careers, Class 11th started with all the fears. Last year in school studying the theories. Boards and farewell in a glory, Alas! It's a 12 year story.

Swaraa Kulkarni, 11th D

Lessons Beyond the Classroom

My time as Vice President of the Interact Club of Sunmati Royals was a valuable learning experience in leadership and teamwork. Working together, we successfully organized events that created a positive impact on society. One of my proudest moments was winning the Mathematics Bal Vigyan for a project based on Linear Programming Problems, where we proposed solutions to help underprivileged vendors manage their stock efficiently, earning the Best Idea and Project Award. Though I lost the Prime Minister election, these two years taught me that growth comes from both achievements and setbacks.

**Jainam Jain

Senior Wing

I truly appreciate the way you teach Physical Education. Your method of teaching visually through actions and demonstrations makes it much easier to understand the concepts. Instead of just explaining things verbally, you show us how they are done, which helps us learn more effectively.

The concepts you explain are not limited to the classroom they apply to real-life situations. This makes your lectures more meaningful and practical. You focus on teaching conceptually rather than just for exams, which creates a deeper and clearer understanding of the subject.

You are always patient in clearing our doubts and ensure that every student understands the topic properly. Your energy, discipline, and encouragement motivate us to participate actively and improve ourselves, both physically and mentally.

Thank you for making Physical Education one of the most engaging and valuable subjects in school.

Rishika Chouhan
12th A

I would like to sincerely thank our teachers & volunteer for their hard work and dedication.

Our teachers explain every topic clearly and make learning interesting and easy to understand. They are very patient, supportive and always ready to help us whenever we have doubts.

The volunteer is also very kind, helpful and cooperative. She supports us in activities and encourages us to participate confidently. Their positive attitude creates a friendly and comfortable learning environment.

I am truly grateful for their guidance and efforts. Thank you for inspiring and motivating us every day.

Thank you.
Yours truly.

How My School Shaped My Personality

I have been in this school for the past two years, and in this short time, it has changed me in many ways.

When I joined Grade 8, I was more inclined towards music and participated in several competitions. Not every competition ended with a prize, but each one gave me valuable experience. In Grade 9, I stepped out of my comfort zone and explored business and technology-based competitions. Trying new fields made me realize that I am capable of more than I had thought.

One of the biggest changes in me happened in Grade 9 when I gathered the courage to speak in front of a large audience. I participated in school anchoring for Independence Day and the Science Exhibition. Standing on the stage, holding the microphone, and speaking with confidence was something I never imagined I could do before.

Later in the year, I also contributed to art activities, discovering another side of myself. School gave me opportunities to explore different talents and helped me grow beyond my fears.

School has also taught me something deeper. There were moments when I had to handle things on my own. When everyone seemed to have their own groups, I learned how to be comfortable with myself. Instead of feeling weak, I became stronger. I understood that being alone sometimes doesn't mean you are lonely — it means you are growing.

My school did not just educate me academically; it made me braver, more independent, and more self-aware. In just two years, it has helped me grow into a stronger version of myself — and for that, I will always be grateful.

OUR EDUCATIONAL VISION

WizzTots Premium Play School

I truly believe that the toddler years are the foundation of independence and intellectual growth.

At WizzTots, we follow an internationally aligned Early Years approach specially designed to nurture young minds. Through purposeful play, sensory exploration, and guided discovery, we help children develop thinking skills, problem-solving abilities, and early decision-making skills and confidence.

Our environment encourages toddlers to try, explore, and do small tasks independently—whether they are choosing an activity, expressing their needs, or completing simple routines. These early experiences gently strengthen their cognitive development, focus, and self-confidence.

We believe independence is not taught through pressure, but built through trust, patience, and consistent encouragement. Our goal is to raise confident, curious, and capable little learners—giving parents the assurance that their child is growing not just academically, but mentally strong and emotionally resilient.

We provide practical learning that connects directly to real life. Our goal is to help children develop reading and writing skills not just as academic subjects, but as essential skills they can use in their daily lives. We encourage them to become independent by making small decisions on their own, taking responsibility, and building self-confidence. Through activities, hands-on experiences, and experiential learning methods, we nurture understanding, creativity, and practical knowledge. This approach helps children grow into confident, capable individuals who are prepared to face future challenges with wisdom and independence.

Sapna Chaturvedi

Head of Early Years &
Pedagogical Leadership
WizzTots Premium Play School

Toddlers programme

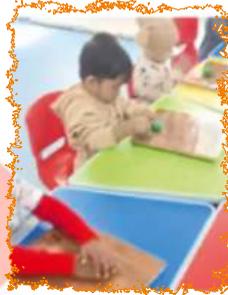

EXPERIENTIAL LEARNING

“Experiential learning empowers children” to discover, create, and understand through real experiences—building confidence, curiosity, and wisdom that lasts a lifetime.

Wash, Eat, and Stay Healthy

Ramleela puppet show - Little eyes watched with wonder as stories came alive through puppets

learning to be independent
one little step a time because
growing up means doing it all by myself

learning respect and care
through grandpa and grandma

LEARNING BY DOING – THE IDENTITY OF WIZZTOTS

The Power of Learning by Doing

At WizzTots, children learn best by doing. Our approach encourages hands-on exploration, where every activity strengthens fine motor skills and engages all five senses—key elements in early brain development. Aligned with international Early Years practices, we focus on experiential learning which builds concentration, cognitive growth, and independence. Through purposeful activities, children develop confidence, coordination, and a deeper understanding—creating a strong foundation for lifelong learning.

FIELD VISIT- LEARNING IN THE REAL WORLD

At Wizz Tots, field visits are a vital part of our Early Years Programme, helping children connect classroom concepts with real-life experiences. By exploring the world around them, toddlers build curiosity, confidence, and deeper understanding through joyful, hands-on learning.

Throughout the year, we plan enriching educational field trips for our toddlers.

Our little learners visited the “Bird Aviary”, Fresh fruit market - Reliance fresh , Nehru Stadium, Traffic park, Phoenix Citadel, Christmas candyland, Zoo Visit – A day of exploration Snake House explored a Gurudwara beautiful step towards values and humanity. They learned care and compassion at a Goshala, and had a joyful experience at Dogvilla. These trips helped toddlers observe real life experience, connect with their surroundings, and gain the best practical learning experiences beyond the classroom.

TINY CELEBRATIONS IN OUR BIRTHDAY CORNER

At WizzTots, we believe every child’s special day deserves joyful memories. Our Birthday Corner was beautifully celebrated with smiles, laughter, and abundant happiness. Each toddler felt loved, valued, and cherished as we made their day extra special. Moments like these strengthen their confidence, sense of belonging, and create sweet memories that will last forever.

TINY EXPLORERS CAMPUS

INTERGRATED INDOOR & OUTDOOR LEARNING

“In the early years, integrated indoor and outdoor learning creates a seamless world of discovery—where little learners explore, imagine, and grow through purposeful play and real-life experiences, building strong foundations for lifelong success.”

Christmas Celebration

Spreading Diwali joy with handmade lanterns

Celebrating Festivals & Cultures with Toddlers

Throughout the year, our toddlers at Wizz Tots joyfully celebrated various festivals, exploring diverse cultures and traditions. Diwali, Holi to Christmas and Basant Panchami Raksha Bandhan Lohri, Independence day Janmashtami, Ganesh utsav shri Ramnavami Garba celebration each celebration helped them understand why these festivals are meaningful.

Such experiences are vital for early learning, fostering cultural awareness, curiosity, empathy, and a deeper understanding of the world—laying the foundation for confident, informed, and joyful little learners.

Little Blossoms Celebrate Basant Panchami

Celebrating Janmashtmi with our adorable Radha - Krishna

Dandiya beats and festive feet

Growth Together Session (PTM)

RAMAYANA FESTIVAL OF VALUES DRAMATIC PLAY

The Ramayana beautifully reflects the rich culture and values of India. Our toddlers brought this timeless epic to life through a Ramleela role play. Dressed as beloved characters, they displayed remarkable confidence, expression, and enthusiasm on stage. This activity not only introduced them to India's cultural heritage but also helped build self-confidence, imagination, and stage presence at a very young age

LITTLE PUMPKIN PARADE

“Through joyful celebrations like Halloween, toddlers learn creativity, self-expression, confidence, and the joy of sharing in a fun and safe environment.”

Our toddlers celebrated Halloween with great excitement and imagination. Dressed in creative and colourful costumes, each child showcased confidence, joy, and individuality. The celebration was filled with fun, laughter, and endless creativity, making it a memorable experience for our little learners and a beautiful display of self-expression.

Partnership Activities Parent and Toddler

Our Parent–Toddler Partnership activities created special moments of bonding and learning. Through celebrations like Father's Day, the Magic Show, Kiddie Carnival, Smart Kid Contest, and engaging activities with mothers, parents and toddlers learned, played, and grew together. These shared experiences strengthened relationships, boosted children's confidence, and made learning joyful and meaningful beyond the classroom. Our Grand Parents enthusiastically participated in 3 days : workshop, learning, whatsapp, Ola booking, video calling, and location sharing with great confident and giving positive feedback.

ANNUAL SPORTS MEET 2025-26 UDAAN THE WINGS OF VICTORY

A Milestone to Remember

For the first time, our toddlers stepped onto the stage with sparkling confidence—gracing the audience with a delightful dance performance on sports activities. Not only did they shine on stage, but they also showcased remarkable sprit and strength in the sports activities. With fearless smiles and boundless energy, our little stars proved that they are ready to perform, participate, and excel making it a truly proud and unforgettable moment for all.

A Celebration Beyond Competition

At our Annual Sports Meet, the excitement doubled as parents joined their toddlers on the track for a special race. It was heartwarming to see mothers and fathers running with the same enthusiasm as their little ones some even eager to participate again and again!

The event beautifully reflected unity, joy, and the true spirit of togetherness, turning the day into a memorable celebration for both children and parents alike.

"Little Wings, Big Victories"

The Annual Sports Meet 2025, Udaan – The Wings of Victory, was a proud and memorable celebration for WizzTots Play Group and Pre-Nursery toddlers. Our little champions showcased remarkable energy, strength, and determination throughout the event.

It was heartwarming to witness the confidence with which they participated—running, smiling, and completing every activity with courage and joy. Their energy and sports spirit reflected how much they have grown stronger, more independent, and self-assured in their journey.

The event beautifully highlighted that our toddlers are not just learning, but truly evolving into confident, resilient, and positive young learners ready to spread their wings and soar.

ESTEEMED PARENTS TESTIMONIALS

**Proud Father of
Ishir Kakani**

I wanted to take a moment to express my heartfelt gratitude for the wonderful experiences my son had in the playgroup. He truly enjoyed every session, from visiting the zoo and the dog house to meeting community helpers and exploring the traffic park. The Christmas and Halloween parties were also such joyful highlights!

In addition to the fun, he has learned so much, including discipline, patience, and the importance of sharing. He's even started eating his meals by himself and taking on more independence.

A truly wonderful moment for me was when he became Ram in the Ramayan story. The kids created such a beautiful rendition of the story, showcasing the dedication and creativity you and the helpers bring to every activity.

Another heartwarming moment was the Diwali celebration, where the kids participated in a traditional dress ramp walk. My son was so happy and expressive, and my family members absolutely loved it. He learned and enjoyed so much from that experience as well.

**Proud Parents of
Marahaba Rafat**

It was a wonderful idea and by the looks of the videos and pics little ones have put forth a great show and creative efforts. Congratulations to all the participants and heartfelt thanks to all the teachers who are constantly behind our little ones to bring the best out of them. A small correction though. Marhaba is **Marhaba Rafat Ibrahim**. Warm Regards, Ibrahim. 😊

**Mother of Pre-Nursery
Shaiyna Jain**

Thank you to our wonderful Wizztot team for nurturing Shayna with so much love and care. I have seen such a beautiful change in confidence, curiosity, and happiness every single day. The fun learning methods and creative activities makes her excited to go to school each morning.

Thank u again.

Kriyansh PN Mother

Heartiest congratulations to all the teachers and other staff members for conducting such a great Sports Meet. Thank you for being such a wonderful, kind and dedicated kindergarten teacher for our children. Your dedication is truly appreciated by us.... Thank you very much Ma'am.

**Proud Father of
Ibrahim Shiekh**

It was a truly wonderful experience for early childhood learning. The school provides a nurturing, joyful, and enriching environment where children grow with confidence and happiness. Highly recommended for a strong and positive start to a child's educational journey.

WizzTots

A path where Nayra started learning...

A way to her earning ..

Somewhere she met friends, After sometimes leading own ends...

Knowledge with a helping hand, Loving teachers in this learning land.

Proud Parents of Nayra Doshi

We truly appreciate all the support and guidance of Team Wizz Tots to enhance overall development in our kid... We are delighted watching her curious and engaged in all the activities whether academic..social... emotional... physical or holistic through play based and student centered activities.

Teachers are doing a great job nurturing confidence in our little bundle of joy.

Highly Satisfied with the positive classroom vibes and the food you provide.

Lots of Good Wishes
Regards and Gratitude

**Proud Father of
Pravi Agrawal**

It has been a great year for Pravi. What started as a doubtful journey of whether she will adjust in a new environment, has turned into excitement, fun and meaningful learning. She eagerly looks forward to coming to School. I would like to appreciate the whole team of Wizztots play school for organising activities and educational visits that are child centric and full of knowledge. Also, thank you for giving a happy, healthy and joyful environment for all children.. Kudos to the entire team!!

**Proud Grandfather
of Vedik Joshi**

Wizz Tots has been a truly beautiful experience for my grandson. The school organizes such meaningful and educational activities that make learning joyful and exciting. He eagerly waits to go to school every day—even during holidays he says he wants to go back!

The way children are appreciated and encouraged here truly builds their confidence. We are deeply happy and grateful to Wizz Tots for giving him such a loving and inspiring start.

**Proud Parents of
Trishiv Pandya**

It has been a deeply heartwarming journey for our little one at Wizz Tots. The school truly feels like a second home—filled with warmth, care, and joyful learning. The teachers are incredibly positive, supportive, and cooperative, always encouraging children with patience and love.

Seeing our child grow in confidence, happiness, and curiosity each day fills our hearts with gratitude. Wizz Tots is truly a beautiful place where caring teachers nurture little hearts and help build bright, confident futures.

INSPIRE MANAK Award 2025–26

We are proud to announce a remarkable achievement of our student from the Atal Tinkering Lab (ATL) of Sanmati Higher Secondary School, Indore. Master Krishna Hedav, a student of Class X, has been selected under the prestigious INSPIRE MANAK (Million Minds Augmenting National Aspirations and Knowledge) Scheme for the academic year 2025–26.

According to the certificate issued by the Department of Science & Technology, Government of India, Krishna Hedav has been awarded ₹10,000 to develop a science project/model and participate in the District Level Exhibition and Project Competition (DLEPC) Certificate.

This recognition highlights the student's innovative thinking, creativity, and dedication toward scientific research and problem-solving. The INSPIRE MANAK scheme aims to encourage students to develop original ideas and innovations that can contribute to society and technological advancement.

The Atal Tinkering Lab (ATL) at Sanmati Higher Secondary School continuously motivates students to explore emerging technologies such as Artificial Intelligence, Internet of Things (IoT), Robotics, Electronics, and Design Thinking. Through hands-on learning, mentoring, and innovation activities, students are encouraged to develop real-world solutions.

The selection of Krishna Hedav for the INSPIRE MANAK award is a proud moment for the school and reflects the effectiveness of ATL initiatives in nurturing young innovators. The school administration, ATL in-charge teachers, and mentors congratulate the student and wish him success in the upcoming District Level Exhibition and Project Competition (DLEPC).

This achievement further strengthens the vision of Sanmati Higher Secondary School to foster innovation, scientific temperament, and entrepreneurship among students through the Atal Tinkering Lab.
